NEVADA.

CAPITAL, CARSON CITY.

Population of State, 81,875.
(U. S. Census, 1910.)
Number of Physicians, 130.

Nevada was organized as a territory in 1861 and admitted as a state in 1864. It extends from 114 degrees to 120 degrees west longitude, and from 35 degrees to 42 degrees north latitude, and is bounded on the north by Oregon and Idaho, on the southwest and west by California, and on the east by Utah and Arizona. It comprises an area of 109,740 square miles, or 70,233,609 acres. The climate is subject to extremes, the winters being very cold, the summers hot. The mean annual temperature is 54.13 degrees; that of the summer 75.18 degrees and of winter 34.55 degrees. Nevada is essentially a mining state. Ores of one kind or another and of varied value are found in nearly every range of mountains. In addition to the metals there are extensive deposits of non-metallic minerals found. Among these are sulphur, salt, borax, soda, coal and gypsum. For years Nevada has led all other states in the value of its metallic products; as far back as 1875 the yield in gold and silver was in excess of all the rest of North America. It is needless to repeat the recent history of gold hunting in Nevada, for it is familiar in almost every household. Both soil and climate are favorable for the profitable production of cereals, vegetables and fruits of the temperate zone, and the live stock industry is one of the most prominent in the state. The people of Nevada are especially proud of the public school system, which is amongst the most richly endowed and most efficient in the Union.

THE MEDICAL PRACTICE ACT OF NEVADA.

An Act Regulating the Practice of Medicine, Surgery and Obstetrics in the State of Nevada; Providing for the Appointment of a State Board of Medical Examiners and Defining their Duties; Providing for the Issuing of Licenses to Practice Medicine; Defining the Practice of Medicine; Defining Certain Misdemeanors and Providing Penalties, and Repealing all other Acts, or Parts of Acts, in Conflict Therewith.

(Approved March 4, 1905.)

The People of the State of Nevada, represented in Senate and Assembly, do enact as follows:

Section 1. That it shall hereafter be unlawful for any person, or persons, to practice medicine, surgery or obstetrics in this State without first obtaining a license so to do as hereinafter provided.

Sec. 2. Within thirty days after this law goes into effect, it shall be the duty of the Governor of the State of Nevada to appoint a State Board consisting of five members, which shall be known as the Board of Medical Examiners of the State of Nevada, and shall be reputable practicing physicians, duly licensed as such by some legally chartered medical institution in the United States, and who shall have been actually engaged in the practice of medicine in the State of Nevada, three of whom shall be selected from the school of medicine known as the Regular, one from the school known as the Eclectic, and one from the school known as the Homeopathic. This board shall be selected without regard to their individual political beliefs, and they shall hold office for the time for which they were appointed, viz., two for four years, one for three years, one for two years, and one for one year from the date of their appointment, and shall serve until their successors are appointed and qualified. Hereafter one member shall be appointed annually for the term of four years. In the event of a vacancy occurring in said board, or absence from the State for a period of six months without permission, the Governor shall appoint a person duly qualified under this act to fill the unexpired term.

Sec. 3. Oath.—Each member of said board shall, before entering upon the duties of his office, take the constitutional oath of office, and shall, in addition, make oath that he is a graduate in medicine, and a legally qualified practitioner of medicine in this State.

Sec. 4. The said board shall meet in Carson City, Nevada, on the first Monday in May, 1905, and shall organize by electing from its number a president, vice-president, secretary and treasurer, who shall hold their respective positions during the pleasure of the board. Said board shall hold its regular meetings on the first Monday of May and the first Monday of November of each year, at such time and place as shall be most convenient to the said board, and due notice of all special meetings of the board shall be given by publication twice a week for each of the two weeks next preceding such meeting, in three papers published in the State of Nevada. Special meetings of the board may be held at the call of the president, and the same notice thereof shall be given as in the case of regular meetings.

Sec. 5. Rules—Said board may, from time to time, adopt such rules as may be necessary to enable it to carry into effect the provisions of this act. Any member of said board may administer oaths in all matters pertaining to the duties of said board, and the board shall have the authority to take evidence as to any matter cognizable by it. Such board shall procure a seal, and shall receive through its secretary applications for the certificates provided to be issued under this act.

Sec. 6. A majority of said board shall constitute a quorum to transact all business. All certificates issued by said board shall bear its seal and the signatures of its president and secretary, and shall authorize the person to whom it is issued to practice medicine in all its branches in this State, upon complying with the requirements of this act. Said board may, in its discretion, accept and register, upon payment of the registration fee, and without examination of the applicant, any certificate which shall have been issued to him by the Medical Examining Board of the District of Columbia, or of any State or Territory of the United States; provided, however, that the legal requirements of such Medical Examining Board shall have been, at the time of issuing such certificate, in no degree or particular less than those of Nevada at the time when such certificate shall be presented for registra-

Keeley Cure 1087 DENNISON AVE., COLUMBUS, OHIO
Successful Treatment for Liquor and Drug Using, Neurasthenia, Tobacco and Cigarette addictions. (See pages 27 and 28.)

tion to the board created by this act; and provided, further, that the provisions in this paragraph contained shall be held to apply only to such of said Medical Examining Boards as accept and register the certificates granted by this board without examination by them of the ones holding such certificates.

Sec. 7. After this law goes into effect, any person desiring to practice medicine, surgery or obstetrics or any of the various branches of medicine in this State, shall, before beginning to practice, procure from the State Board of Medical Examiners a certificate that such person is entitled to practice medicine, surgery or obstetrics in this State. In order to procure such certificate the applicant shall submit to the said board his or her diploma, issued by some legally chartered medical school, the requirements of which medical school shall have been at the time of granting such diploma in no particular less than those prescribed by the Association of American Medical Colleges for that year, and he must accompany said diploma or license with an affidavit setting forth the number and duration of terms the applicant was required to be in attendance, and that he is the lawful possessor of the same, that he is the person therein named, and that the diploma or license was procured without fraud or misrepresentation of any kind. Such application shall be accompanied by the affidavit of two freeholders, resident of the same county in which the applicant resides, stating that the applicant is the identical person named in the accompanying diploma, and that he or she is of good moral standing and reputable. In addition to such affidavit, said board may hear such further evidence as, in its discretion, it may deem proper as to any of the matters embraced in said affidavit. If it should appear from such evidence that said affidavit is untrue in any particular, or if it should appear that the applicant is not of good moral character, the application must be rejected. Said board shall retain such diploma such time as is necessary, but in no case shall said board retain such diploma to exceed two weeks. All such diplomas and affidavits shall be addressed to the Secretary of the Board.

Sec. 8. Applicants for certificates to practice medicine, surgery or obstetrics in the State of Nevada shall be required to present a diploma from a legally recognized college, and to pass a satisfactory examination before the State Board of Medical Examiners as to his or her qualifications. The applicant must appear personally before the board, and the examination shall be conducted in the English language, and shall be, in whole or in part in writing, and in each branch shall obtain seventy-five per cent., and shall be on the following subjects, to-wit: Anatomy, physiology, materia medica, and therapeutics, chemistry, bacteriology, pathology, toxicology, obstetrics, surgery, general medicine, diseases of the skin, eye, ear, nose, throat, brain, genito-urinary system. Said examination shall be fair and impartial and the questions of such character as will determine the fitness of the applicant to practice his or her profession. When applicant applies for examination in materia medica and therapeutics and theory and practice of medicine, he shall designate in which school of medicine he desires to practice, and only the member or members of the board who belong to the school so designated shall participate in this part of the examination. Examinations shall be practical in character, and designed to discover the applicant's fitness to practice medicine and surgery. If an applicant fail in his first examination, he may, after not less than six months, be re-examined, without additional fee. If he fail in a second examination, he shall not thereafter be entitled to another examination in less than one year after the date of second examination, and shall be required to pay for such examination the full fee. The examination papers shall form a part of the records of said board, and shall be kept on file by the secretary, and said records shall be open to public inspection whenever requested after the examination; provided, that any person who is a regular graduate from a regularly chartered college of the practice of the system of what is generally known and recognized as the drugless system, may present themselves for examination under the regulations hereinbefore specified, and shall be required to pass an examination in all the subjects noted, with the exception of materia medica and therapeutics, and upon the passing satisfactorily of said examination by the board, shall have issued to them a license to practice the said system of drugless medicine in this State, under the same rules and regulations prescribed and required of the practitioners of other systems of medicine. Each applicant, on making applications, shall pay to the Secretary of the Board, a fee of twenty-five dollars ($25), at the same time the diploma and affidavit is filed with him, and this fee shall not be returned in the event of the applicant's failing to pass a satisfactory examination. Any person who may hereafter be granted a license to practice medicine and surgery in this State under this act, upon the grounds of reciprocity with other States and without examination, shall pay a fee of twenty-five dollars ($25) for such license.

Sec. 10. Said board shall procure a book for the purpose of recording the names of all persons to whom it issued certificates. In this book shall be entered the names of the applicants, together with the name of the school granting the diploma, the date of the diploma, the number of terms the applicant attended school, residence of applicant, and the date of issuance of certificate. This book shall be retained by the secretary, who shall note the unsuccessful applicants, furnishing the same information as is given above. The secretary shall furnish each County Clerk in this State a complete list of persons to whom certificates have been issued, after each meeting of the board. Such list shall be retained and filed by the County Clerk, and it shall show the name, age and location of the holder of each certificate, together with the name of the institution conferring the degree, and the date of the issuance of certificate.

Sec. 11 The members of the board shall serve without compensation, except that their actual expenses incurred while attending a regular or special meeting of the board shall be refunded; provided, that the secretary shall receive a semi-annual salary of one hundred and fifty ($150) dollars for his services. All moneys received by the board shall be paid out on its order for its expenses, and the traveling expenses of the members, and if the moneys received are not sufficient to meet such expenses, then the board shall certify to the Board of Examiners, with accompanying vouchers, over its seal and the signature of its president and secretary, the amount actually necessary to meet the remainder of its expenses, and upon the approval of said claim by the Board of Examiners the State Controller shall draw his warrant upon any moneys in the general fund not otherwise appropriated, and the State Treasurer shall pay the same.

Sec. 12. Every person to whom the board shall issue a certificate shall present the same to the County Recorder of the county in which he desires to practice, and have the same recorded, and shall pay the fee usually paid for recording such papers. The board may refuse a certificate to any applicant guilty of unprofessional conduct, and may revoke any certificate for a like cause. In all cases of refusal or revocation the party aggrieved may appeal to the courts. The words "unprofessional conduct," as used in this act, are hereby declared to mean:

First—The procuring or aiding or abetting in procuring a criminal abortion.

Second—The obtaining of any fee on the assurance that a manifestly incurable disease can be permanently cured.

Third—The wilfully betraying of a professional secret.

Fourth—All advertising of medical business in which grossly improbable statements are made.

Fifth—All advertising of any medicines, or of any means, whereby the monthly periods of women can be regulated, or the menses re-established if suppressed.

Sixth—Conviction of any offense involving moral turpitude.

Seventh—Habitual intemperance.

Sec. 13. For the purposes of this act the words "practice of medicine, surgery and obstetrics," shall mean to open an office for such purpose, or to announce to the public, or to any individual in any way, a desire or willingness, or readiness to treat the sick or afflicted in any county in the State of Nevada; or to investigate or diagnosticate, or to offer to investigate or diagnosticate any physical or mental ailment, or disease of any person, or to give surgical assistance to, or to suggest, recommend, prescribe, or direct for the use of any person, any drug, medicine, appliance or other agency, whether material or not material, for the cure, relief or palliation of any ailment or disease of the mind or body, or for the cure or relief of any wound, fracture, or bodily injury, or deformity, after having received or with the intent of receiving therefor, either directly or indirectly, any money, gift, or any other form of compensation. It shall also be regarded as practicing medicine within the meaning of this act if anyone shall use in connection with his or her name the words or letters "Dr.," "Doctor," "Professor," "M. D.," or "Healer," or any other title, word, letter or other designation intended to imply or designate him or her as a practitioner of medicine, or surgery, or obstetrics in any of its branches; provided, that nothing in this act shall be construed to prohibit gratuitous services of druggists or other persons in cases of emergency, or the domestic administration of family remedies, and this act shall not apply to commissioned surgeons of the United States army or navy in the discharge of their official duties, nor shall it apply to professional or other nurses in the discharge of their duties as nurses, nor to physicians who are called into this State for consultation, and who are legally qualified to practice in the State where he or she resides. In charging any person in an affidavit, information or indictment with a violation of this act by practicing medicine, surgery or obstetrics without a license, it shall be sufficient to charge that he or she did, upon a certain day, and in a certain county of this State, engage in the practice of medicine, he or she, not having a license to do so, without averring any further or more particular facts concerning the same.

Sec. 14. Any person who shall practice medicine, surgery or obstetrics in this State without first complying with the provisions of this act, shall be deemed guilty of a misdemeanor, and upon conviction thereof, shall be punished by a fine of not less than one hundred ($100) dollars, nor more than two hundred ($200) dollars, or by imprisonment in the county jail for not less than fifty (50) days, nor more than one hundred and eighty (180) days, or by both such fine and imprisonment for each and every such offense. Any person may institute proceedings at law provided for in this act.

Sec. 15. Every person filing for record, or attempting to file for record, the certificate issued to another, falsely claiming himself to be the person named in such certificate, or falsely claiming himself to be the person entitled to the same, shall be guilty of felony, and, upon conviction thereof, shall be punished by imprisonment in the State prison not less than one year nor exceeding five years.

Sec. 16. Any person assuming to act as a member of a State Board of Medical Examiners, or who shall sign, or subscribe, or issue or cause to be issued, or seal or cause to be sealed, a certificate authorizing any person to practice medicine or surgery in this State, except the person so acting and doing shall have been appointed a member of said Board of Medical Examiners as in this act provided, shall be guilty of a misdemeanor, and shall be punished by a fine of not less than one hundred ($100) dollars, nor more than five hundred ($500) dollars, or by imprisonment in the county jail for a term of not less than sixty (60) days, nor more than one hundred and eighty (180) days, or by both such fine and imprisonment.

Sec. 17. Every person practicing medicine, surgery or obstetrics in the State of Nevada on the first Monday of May, 1905, shall submit to the said board his, or her, diploma for registration, and a fee of twenty-five ($25) dollars shall accompany such diploma; provided, that the owner of such diploma shall, if he or she was practicing medicine, surgery or obstetrics prior to the passage of the act approved March 15, 1899, and has not complied with said act of March 15, 1899, pay a fee of five ($5) dollars for such registration, but said person shall submit to the board said diploma on the first Monday of May, 1905; provided further, that all persons who have complied with the act of March 15, 1899, shall be entitled to full registration by the said Board of Medical Examiners, and nothing in this act shall be construed to prevent such registration, and the secretary of said board shall enter free of all charge, upon the record book of said board, the names of all persons who have complied with the act of March 15, 1899. And be it further provided, that a certificate of registration or license issued by the proper Examining Board of any State, which agrees on reciprocal registration with this State, may be accepted as evidence of qualification for reciprocal registration in this State; provided, that the holder of such certificate was, at the time of such registration, the legal possessor of a diploma issued by a medical college in good standing in this State, and that the date thereof was prior to the passage of this act.

Sec. 18. All acts and parts of acts in conflict with this act are hereby repealed.

Sec. 19. This act shall take effect from and after the third day of May, nineteen hundred and five.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; ₰, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; ⦃, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indi ates the college of graduation, and the last number the year in which diploma was granted.

C

NEW HAMPSHIRE.

NEW HAMPSHIRE.

CAPITAL, CONCORD.

Population of State, 430,572.
(U. S. Census, 1910.)
Number of Physicians, 685.

New Hampshire was settled by English colonists at Dover and Plymouth in 1623. These settlements were annexed to Massachusetts in 1641, but became a separate province in 1741. It was one of the 13 original states, framed a constitution in 1776, and ratified the United States constitution June 21, 1788. It is bounded on the north by Canada, on the south by Massachusetts, on the east by Maine and the Atlantic ocean, and on the west by Vermont, and extends from 42 degrees 41 minutes to 45 degrees 11 minutes north latitude, and from 70 degrees 40 minutes to 72 degrees 28 minutes west longitude.

The total land surface of New Hampshire is, approximately, 9,005 square miles. The climate is rigid and the winters long and severe, particularly in more elevated mountainous districts. The summers are usually mild and pleasant, although a temperature of over 100 degrees in the shade is not of rare occurrence. The mean annual temperature ranges from 38 degrees in Coos county and the White Mountains to 48 degrees in the southern portion. The rainfall averages from 10 to 14 inches in summer, from 6 to 12 inches in winter, and from 32 to 40 inches during the year. The sea coast and the Conecticut valley receive the largest amount of precipitation.

The state is well watered. The principal rivers are the Connecticut (which forms its entire western line of demarcation), with its numerous tributaries, and the Merrimac with its feeders, flowing through the center of the state and emptying into the Atlantic. The upper waters of the Androscoggin drain a large portion of the northern section. There are numerous lakes and the state is noted for the remarkable beauty of its mountain and lake scenery. Fine forests of oak, pine, beech, sugar maple, birch, etc., cover the mountains and the northern part of the state and willows, poplars, and sycamores grow along the rivers. Lumber supplies a prominent product. The state leads in the output of mica, and granite of the finest quality is quarried. There is abundant water power and manufactures are extensively carried on, cotton and woolen goods, boots and shoes, leather, paper, wooden ware, furniture and machinery being the principal products.

The educational interests of the state are most excellent, about $1,000,000 being annually appropriated for that object. Dartmouth College, located at Hanover, is one of the best known educational institutions in the country.

For list of Medical Colleges, see page 151.

STATE BOARD OF HEALTH.

(Also constitute a Board of Commissioners of Lunacy.)

MEDICAL LAW OF NEW HAMPSHIRE

An Act to Regulate the Licensing and Registration of Physicians and Surgeons. Be it enacted by the Senate and House of Representatives in General Court convened:

Section. 1. No person shall hold himself out to the public as a physician and surgeon, or advertise as such, or use the title of M. D. or Dr. (or any title which shall show or tend to show that the person using the same is a practitioner of any of the branches of medicine) in New Hampshire after September 1, 1897, unless previously registered and authorized, or unless licensed and registered as required by this chapter; nor shall any person practice medicine and surgery whose authority to practice is suspended or revoked by the Regent of the State Board.

Sec. 2. Within sixty days after the passage of this act, the Governor and council shall appoint three separate State Boards of Medical Examiners, of five members each, so appointed that the term of office of one member shall expire each year, and the members thereafter appointed shall hold office five years, or until their successors are appointed and qualified. One board shall represent the New Hampshire Medical Society, one the New Hampshire Homeopathic Medical Society, and one the New Hampshire Eclectic Society. Each of these three societies shall nominate, annually, twice the number of examiners to be appointed in that year on the board representing it. The names of such nominees shall be annually transmitted, under seal, by the president and secretary, to the governor and council, who shall appoint from such lists the examiners required to form the boards and to fill any vacancy that may occur from expiration of office or otherwise. Each nominee, before appointment, shall furnish to the governor and council satisfactory proof that he has received the degree of doctor of medicine from some registered medical school, and that he has legally practiced medicine in this state for at least five years. If no nominees are presented from a society to the governor and council, they may appoint from members in good standing in such society without restriction. The governor and council, upon recommendation of the board, may remove any examiner for misconduct, incapacity, or neglect of duty.

Sec. 3. Every medical examiner shall receive a commission of appointment from the state, and before beginning his term of office shall file with the secretary of state the constitutional oath of office. Each board, or any member thereof, may take testimony and proofs concerning all matters within its jurisdiction. Each board may make any by-laws and rules, not inconsistent with law, necessary in performing its duties.

Sec. 4. The superintendent of public instruction, ex officio, shall be the regent of the state boards of medical examiners, and shall perform such duties as are herein specified.

Sec. 5. From the fees provided by this act, the regent may pay all proper expenses incurred by its provisions, except compensation to medical examiners; and any surplus at the end of any year shall be apportioned equally among the three boards; and the state shall not pay the expenses of said boards, or either of them, or compensate them, or either of them, for services rendered under their commissions.

Sec. 6. Each board shall annually elect from its members a president and a secretary for the year, and shall hold one or more meetings each year, pursuant to call of the regent, who may also call joint meetings of the three boards or of their officers. At any meeting a majority shall constitute a quorum, but questions prepared by the boards may be grouped and edited, or answer papers of candidates may be examined and marked, by committees duly authorized by the boards.

Sec. 7. The regent shall admit to examination any candidate who pays a fee of $10 and submits satisfactory evidence, verified by oath, if required, that he,—

1. Is more than twenty-one years of age.
2. Is of good moral character.
3. Has graduated from a registered college; or satisfactorily completed a full course in a registered academy or high school; or had a preliminary education considered and accepted by the regent as fully equivalent.
4. Has studied medicine not less than four full school years, of at least nine months each, including four satisfactory courses, of at least six months each, in four different calendar years, in a medical college registered as maintaining at the time a satisfactory standard. The regent shall accept, as the equivalent for any part of the third and fourth requirements, evidence of five or more years' reputable practice, provided that such substitution be specified in the license.
5. Has either received the degree of bachelor or doctor of medicine from some registered medical school, or a diploma or license conferring full right to practice medicine in some foreign country.

Students who matriculate in a New Hampshire medical school before January 1, 1898, on the prescribed study of medicine shall be exempt from this preliminary education requirement.

Sec. 8. Each board shall submit to the regent, as required, lists of suitable questions for thorough examinations in anatomy, physiology and hygiene, chemistry, surgery, obstetrics, pathology and diagnosis, and therapeutics including practice and materia medica. From these lists the regent shall prepare question papers for all these subjects, which at any examination shall be the same for all candidates, except that in therapeutics practice, and materia medica all the questions submitted to any candidate shall be chosen from those prepared by the board selected by that candidate and shall be in harmony with the tenets of that school, as determined by its state board of medical examiners.

Sec. 9. Examinations for license shall be given at Concord, in this state, and at least twice annually, and shall be exclusively in writing and in English. Each examination shall be conducted by the regent, or a competent examiner appointed by him, who shall not be one of the medical examiners. At the close of each examination the regent or examiner in charge shall deliver the questions and answer papers to the board selected by each candidate, or to its duly authorized committee, and such board, without unnecessary delay, shall examine and mark the answers and transmit to the regent an official report, signed by its president and secretary, stating the standing of each candidate in each branch, his general average, and whether the board recommends that a license be granted. Such report shall include the questions and answers and shall be filed in the public records of the regent. If a candidate fails on first examination, he may, after not less than six months' further study, have a second examination without fee. If the failure is from illness, or other cause satisfactory to the boards, they may waive the required six months' study.

Sec. 10. On receiving from a State board an official report that an applicant has successfully passed the examinations and is recommended for license, the agent shall issue to him a license to practice medicine. Every license shall be issued by the regent under seal, and shall be signed by each acting medical examiner of the board selected, and by the regent, and shall state that the licensee has given satisfactory evidence of fitness, as to age, character, preliminary and medical education, and all other matters required by law; and that after full examination he has been found properly qualified to practice. Applicants examined and licensed by other State examining boards registered by the regent as maintaining standards not lower than those provided by this chapter, and applicants who marticulate in a New Hampshire medical school before January 1, 1898, and who receive the degree M. D., January 1, 1903, may, without further examination, on payment of five dollars to the regent and on submitting such evidence as may be required, receive an endorsement of their licenses or diplomas conferring all rights and privileges of a regent license issued after examination.

Before any license is issued it shall be numbered and recorded in a book kept in the regent's office, and its number shall be noted in the license. This record shall be open to public inspection, and in all legal proceedings shall have the same weight as evidence that is given to a record of conveyance of land.

Sec. 11. (As amended by chapter 1 of the Session Laws of 1903.) This chapter shall not be construed to affect commissioned medical officers serving in the United States army navy, or marine hospital service, while so commissioned; or any one while actually serving on the resident medical staff of any legally incorporated hospital; or any legally registered dentist exclusively engaged in practicing dentistry; or any manufacturer of artificial eyes, limbs or orthopedic instruments or trusses in fitting such instruments on persons in need thereof; or any lawfully qualified physician in other states or countries meeting legally registered physicians in this state in consultation; or any physician residing on a border of a neighboring state and duly authorized under the laws thereof to practice medicine therein, whose practice extends into this state, and who does not open an office or appoint a place to meet patients or receive calls within this state; or to the regular or family physicians of persons not residents of this state, when called to attend them during a temporary stay in the state; neither shall the provisions of this act apply to clairvoyants, or to persons practicing hypnotism, magnetic healing, mind cure, massage, Christian science, so-called, or any other method of healing if no drugs are employed or surgical operations are performed; provided, that such persons do not violate any of the provisions of this act in relation to the use of M. D. or the title of doctor or physician.

Sec. 12. Any person who, not being then lawfully authorized to practice medicine within this state and so registered according to law, shall hold himself out to the public as a physician and surgeon, or advertise as such, within this state, without lawful registration or in violation of any provisions of this chapter; and any person who shall buy, sell, or fraudulently obtain any medical diploma, license, record, or registration, or who shall aid or abet such buying, selling, or fraudulently obtaining, or who shall practice medicine under cover of any medical diploma, license, record, or registration illegally obtained, or signed, or issued unlawfully, or under fraudulent representations or mistake of fact in a material regard; and any person who shall append the letters M. D. to his or her name; or shall assume or advertise the title of doctor (or any title which shall show or tend to show that the person assuming or advertising the same is a practitioner of any of the branches of medicine) in such a manner as to convey the impression that he or she is a legal practitioner of medicine, or of any of its branches, without having legally received the medical degree, or without having received a license which constituted at the time an authority to practice medicine under the laws of this state then in force, shall be guilty of a misdemeanor, and on conviction thereof shall be punished by a fine of not more than one hundred dollars or imprisonment for three months for the first offense; and on the conviction of any subsequent offense, by a fine of not more than two hundred and fifty dollars or imprisonment for not less than six months, or by both fine and imprisonment.

Sec. 13. Every person who is a practitioner of medicine and surgery in this state prior to the passage of this act shall be, upon satisfactory proof thereof to the regent and upon the payment of a fee of one dollar, entitled to registration; and the said regent shall issue to him a certificate signed by himself and the chairman and secretary of such board of medical examiners as the applicant may elect; and said certificate shall state the facts and the cause of said registration, and shall entitle the said person to practice medicine legally in the state of New Hampshire.

Sec. 14. The first meeting of the boards may be called by any one of the members by a notice in writing, stating the time and place of meeting, sent by mail to each of the other members at least one week prior thereto.

Sec. 15. This act shall take effect on its passage.

[Approved March 16, 1897.]

An Act to amend Section 14, Chapter 63 of the Laws of 1897 in Relation to the Practice of Medicine.

Be it enacted by the Senate and House of Representatives in General Court convened:

Sec. 1. Amend Chapter 63 of the Laws of 1897 by adding the following to section 14 of said chapter: Any legal practitioner of medicine and surgery in any other state or territory, which will grant to physicians and surgeons registered in this state similar privileges, shall be admitted to practice medicine and surgery in this state by paying the usual fee of ten (10) dollars and presenting to the boards of medical examiners a satisfactory diploma from some medical school, a certificate of registration, or license to practice medicine, from the state or territory from which he comes, and evidence satisfactory to said boards of examiners of his professional standing.

[Approved February 20, 1907.]

REGULATIONS ADOPTED REGARDING RECIPROCITY.

Physicians and surgeons examined and licensed by one of the following boards will be admitted to practice in New Hampshire without further examination, upon payment of fee of $5; Colorado, Georgia, Indiana, Iowa, Kansas, Kentucky, Louisiana, Maryland, Michigan, Minnesota, Missouri, Nebraska, North Dakota, New Jersey, South Carolina, Tennessee, Vermont, Virginia, West Virginia, Wisconsin, Wyoming.

Any legal practitioner of medicine and surgery in any other state or territory, which will grant to prysicians and surgeons registered in this state similar privileges, will be admitted to practice in this state upon payment of a fee of $10, and upon presentation to the New Hampshire Board of Examiners of evidence satisfactory to them of his professional standing.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; {, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

C

NEW JERSEY.

CAPITAL, TRENTON.

Population of State, 2,537,167.
(U. S. Census, 1910.)
Number of Physicians, 2,572.

New Jersey is bounded on the north by New York, on the south by the Atlantic ocean and Delaware Bay, on the east by New York and the Atlantic ocean, and on the west by Delaware and Pennsylvania, and extends from 38 degrees 56 minutes to 41 degrees 30 minutes north latitude, and from 73 degrees 55 minutes to 75 degrees 32 minutes west longitude. Its greatest length is 169 miles and greatest breadth 50 miles.

The total land surface is, approximately, 7,525 square miles. The state may be divided into three sections. The northwestern part is mountainous, being traversed by a broad belt of ridges belonging to the Appalachian system. The middle section consists of red sandstone with trap ridges and is diversified by gentle undulations. The lower portion of the state, with its sandy soil and forests of pine, is comparatively level and forms a part of the Atlantic coast plain. The climate is mild, being tempered by the vicinity of the ocean. The mean annual temperature, as observed at Newark during a period of 24 years, was 50.50 degrees, that of the summer 70.35 degrees, and that of the winter 30.75 degrees.

The state is well watered and the abundance of its streams renders perfect drainage very easy, while their rapid fall gives them great value for their water power. The principal rivers are the Hudson, which runs along the eastern boundary for 28 miles; the Delaware, forming the western boundary and draining 2,100 square miles of its territory; the Hackensack, Raritan, Passaic, Navesink, Rahway, Great Egg, Shrewsbury, Toms, Maurice and Mullica. There are numerous small lakes in the northwestern part of the state.

For list of Medical Colleges, see page 151.

BOARD OF HEALTH OF STATE OF NEW JERSEY.

Office, State House, Trenton.

Pres, John H Capstick, Montville; Sec, B S Keator, M D, Asbury Park; G P Olcott, Salem; W H Chew, Salem; H W Johnson, Haddonfield; R C Newton, M D, Montclair.

MEDICAL LAW OF NEW JERSEY.

An Act to regulate the practice of medicine and surgery, to license physicians and surgeons, and to punish persons violating the provisions thereof.

Amended as to the third, fourth and ninth sections, and approved April 8th, 1903. Chapter 228.

Sec. 1. Be it enacted by the Senate and General Assembly of the State of New Jersey, That the governor shall appoint, by and with the advice and consent of the senate, a board of examiners to be known as the state board of medical examiners, said board to consist of nine members, who shall be persons of recognized professional ability and honor; the terms of office of said board shall be three years, or until their successors are appointed; provided, however, that the members of the board first appointed shall be divided into three classes, each class to consist of three persons; the first class shall hold office under said appointment for one year, the second for two years and the third for three years from the date of their appointment, and thereafter each member shall be appointed for a term of three years, and provided further, that said board shall consist of five old-school physicians, three homœpathic and one eclectic; said appointees, shall, within thirty days after the

The Oconomowoc Health Resort
Oconomowoc, Wis. (See advertisement inside back cover)

receipt of the respective commissions take, subscribe and file, in the office of the secretary of state, the oath or affirmation prescribed by law.

Sec. 2. And be it enacted, That said board shall elect a president, a secretary and a treasurer from its membership; it shall have a common seal, and its president shall be empowered to issue subpoenas and to administer oaths in taking testimony in any matter pertaining to the duties of said board; it shall make and adopt all necessary rules, regulations and by-laws not inconsistent with the laws of this state or of the United States, whereby to perform the duties and to transact the business required under the provisions of this act.

Sec. 3. And be it enacted, That said board shall hold meetings for examinations at the capitol building of this state on the third Tuesday of June and October of each year, and at such other times and places as the board may deem expedient; said board shall keep an official record of all its meetings, and an official register of all applicants for a license to practice medicine and surgery in this state; said register shall show the name, age, nativity, last and intended place of residence, of each candidate, the time he or she has spent in obtaining a competent academic education, as hereinafter provided, and in medical study, in or out of medical school, and the names and location of all medical schools or examining and licensing boards which have granted said applicant any degree or certificate of attendance upon lectures upon medicine and surgery or state examinations; said register shall also show whether said applicant was examined, licensed or rejected under this act, and said register shall be prima facie evidence of all matters therein contained.

Sec. 4. And be it enacted, That all persons hereafter, commencing the practice of medicine or surgery in any of its branches in this state shall apply to said board for a license so to do; applicants for examination shall present to the secretary of this board, at least ten days before the commencement of the examination at which he or she is to be examined, a written application on a form or forms provided by said board, together with satisfactory proof that the applicant is more than twenty-one years of age, is of good moral character, has obtained at least a certificate or diploma issued after four years of study either in a normal, manual training or high school of the first grade in this state, or in a legally constituted academy, seminary or institute of equal grade, or a student's certificate of examination for admission to the freshman class of a reputable literary college, or has received an academic education considered and accepted by the state superintendent of public instruction as fully equivalent, and has either received a diploma conferring the degree of doctor of medicine from some legally incorporated medical college (which in the opinion of said board was in good standing at the time of issuing said diploma) in the United States, or a diploma or license conferring the full right to practice all the branches of medicine and surgery in some foreign country, and has also studied medicine not less than four full school years of at least nine months each, including four satisfactory courses of lectures of at least seven months each, in four different calendar years in some legally incorporated American or foreign medical college or colleges prior to the granting of said diploma or foreign license; provided, however, that candidates for license who graduated prior to July fourth, one thousand nine hundred and three, and have been in continuous and reputable practice for at least five years since graduation, may be admitted to the examinations of this board upon certified and satisfactory evidence of moral character and of three courses of medical lectures in different calendar years and of a competent academic education according to the standard of that time, as determined in the case of non-graduates of academic institutions by the state superintendent of public instruction; provided, however, that such substitution and exemption be specified in the license; provided further that candidates for license who graduated prior to July fourth, one thousand eight hundred and ninety-four, and have been in continuous and reputable practice since graduation, may be admitted to the examinations of this board upon certified and satisfactory evidence of moral character and of two courses of medical lectures in different calendar years and of a competent academic education according to the standard of that time, as determined in the case of non-graduates of academic institutions by the state superintendent of public instruction; and, provided further, that such substitution and exemption be specified in the license; and if said application is approved and the said applicant shall have deposited the sum of twenty-five dollars with the treasurer of such board as an examination fee, and said applicant may, in case of failure to pass the examination, be re-examined at any regular examination within one year without the payment of an additional fee; the applicant shall sign his or her name opposite a number in a book kept for that purpose by the secretary, and shall mark his or her examination paper with said number and shall be known to the members of said board only by said number until his or her papers have been examined and marked; applicants examined and licensed by or who are or have been members of State Examining and Licensing boards of other states, upon the payment of fifty dollars to the treasurer of said board, and on filing with the secretary of said board a copy of his or her license or certificate, certified by the affidavit of the president and secretary of such board, showing also that the standard of requirements of said board at the time of said license or certificate was issued was substantially the same as that required by the said board, and of his or her affidavit as to the personality thereof, may be granted a license by said board without further examination thereby.

Sec. 5. And be it enacted, That all examinations shall be written in the English language, and the questions and answers shall be except in materia medica and therapeutics, such as can be answered in common by all schools of practice; if the applicant intends to practice homœopathy or eclecticism, the members of said board of those schools respectively shall examine said applicant in the materia medica and therapeutics of the school in which such applicant intends to practice; the examinations shall be in the following subjects, namely, materia medica and therapeutics; obstetrics and gynæcology; practice of medicine, including diseases of the skin, nose and throat; surgery, including surgical anatomy and diseases of the eye, ear and genito-urinary organs; anatomy; physiology; chemistry; histology; path-

BURN-BRAE, A PRIVATE HOSPITAL FOR MENTAL AND NERVOUS DISEASES. (See adv. in Philadelphia)

ology; bacteriology; hygiene; medical jurisprudence, and in such other subjects as the board may decide; all examinations shall be both scientific and practical, and of sufficient severity to test the candidate's fitness to practice medicine and surgery; if said examination is satisfactory, the board shall issue a license, entitling the applicant to practice medicine and surgery in this state; the votes of all examiners shall be yes or no, and written with their signatures upon the backs of the examination papers of each candidate; said application and examination papers shall be deposited in the state library, in the capitol building, and they shall be prima facie evidence of all matters therein contained; all licenses shall be signed by the president and secretary of the board, and shall be attested by the seal thereof.

Sec. 6. And be it enacted, That the board may refuse to grant or may revoke a license for the following causes, to wit: Chronic and persistant inebriety; the practice of criminal abortion; conviction of the crime involving moral turpitude or for publicly advertising special ability to treat or cure chronic and incurable diseases; or where any person shall present to this board any diploma, license or certificate that shall have been illegally obtained, or that shall have been signed or issued unlawfully or under fraudulent representations; in complaints for violating the provisions of this section, the accused person shall be furnished with a copy of the complaint, and given a hearing before said board in person or by attorney; and any person, after such refusal or revocation of license, who shall attempt or continue the practice of medicine, shall be subject to the penalties hereinafter prescribed.

Sec. 7. And be it enacted, That the person so receiving said license shall file the same, or a certified copy thereof, with the clerk of the county in which he or she resides, and said clerk shall file said certificate or copy thereof and enter a memorandum thereof, giving the date of said license, with the name of the person to whom the same is issued, and the date of said filing, in a book to be provided by this board and to be kept for that purpose, and for which registry the said county clerk shall be entitled to demand and receive from each person registering the sum of one dollar; in case the person so licensed shall move into another county of this state, he or she shall procure from the said clerk a certified copy of such registration, and then file the same with the clerk of the county to which he or she shall remove, and the said clerk shall file and enter the same with like effect as if the same was an original license, and for which registry the said clerk shall be entitled to demand and receive the sum of one dollar; and each county clerk in the counties of this state shall, upon the last day of November of each year, furnish to the secretary of said board a list of all the certificates of this board filed in his office during the previous year, and upon notice to him of the change of location or death of the person so licensed, or of the revocation of said license, said county clerk shall enter at the appropriate place in the records so kept by him, a memorandum of said fact, and said memoranda shall be furnished to the secretary of this board in the annual report above required.

Sec. 8. And be it enacted, That any person shall be regarded as practicing medicine or surgery, within the meaning of this act, who shall use the words or letters "Dr." "Doctor," "Professor," "M. D." or "M. B." in connection with his or her name, or any other title intending to imply or designate him or her as a practitioner of medicine or surgery in any of its branches, and who in connection with such title or titles or without the use of such titles, shall prescribe, direct, recommend, advise, apply, give or sell, for the use of any person or persons, any drug or medicine or other agency or application for the treatment, cure or relief of any bodily injury, infirmity or disease; and it is further provided that the use of any one of the aforementioned titles or the exposure of a sign, circular, advertisement or any other device or information, indicating thereby the occupation of the person or persons, shall be considered prima facie evidence; and it is further provided, that the provisions of this act shall apply to all persons professing and attempting to cure diseases by means of the so-called systems of "faithcurism," "mind-healing," "laying-on-of-hands" and other similar systems.

Sec. 9. And be it enacted, That this act shall not apply to the commissioned surgeons of the United States army, navy or marine hospital service while so commissioned, or to lawfully qualified physicians or surgeons residing in other states meeting registered physicians and surgeons of this state in consultation, or to any legally qualified physician or surgeon of another state taking charge of the practice of a legally qualified physician or surgeon of this state temporarily during the latter's absence therefrom and upon the written requests to said board therefor, or to any physician or surgeon of another state, and duly authorized under the laws thereof, to practice medicine and surgery therein; provided, that such practitioner shall not open an office or a place for the practice of his profession within the borders of this state; or to anyone while actually serving as a member of the resident medical staff of any legally incorporated charitable or municipal hospital or asylum, or to any legally qualified and registered dentist exclusively engaged in practicing the art of dentistry, or to any person claiming the right to practice medicine and surgery in this state who has been practicing therein since before the fourth day of July, one thousand eight hundred and ninety; provided, said right or title was obtained upon a duly registered diploma, of which the holder and applicant was the lawful possessor, issued by a legally chartered medical institution which, in the opinion of said board, was in good standing at the time said diploma was issued; or to any person resident of this state who has been continuously engaged in giving treatment by electricity herein during the past fourteen years; provided, that said person has graduated from a legally incorporated electro-therapeutic school in good standing, or to any legally licensed and registered pharmacist of this state actually engaged in the practice of his profession, but this exception shall not be extended so as to give said licensed pharmacist the right and authority to carry on the business of a dispensary, unless said dispensary shall be in charge of a legally licensed and registered physician and surgeon of this state; or to any legally licensed and registered veterinary physician, surgeon or dentist of this state engaged in the practice of veterinary medicine, surgery or dentistry in any of its branches; or to any professional nurse, masseur or electrician, operating in each particular case under the specific direction of a regularly licensed physician or surgeon; or to any person or persons giving aid, assistance or relief in emergency or accident cases pending the arrival of a regularly licensed physician and surgeon.

Sec. 10. And be it enacted, That any person hereafter commencing or continuing the practice of medicine and surgery in any of its branches in this state without first having obtained and filed the license herein provided for or contrary to the provisions of this act, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punished for the first offence by a fine of not less than one hundred dollars or by imprisonment in the county jail for a period of not less than thirty days or by both fine and imprisonment, and for each subsequent offense the punishment shall be double that of the preceding one; and it shall be the duty of the respective district attorneys of the counties of this state to prosecute violations of the provisions of this act.

Sec. 11. And be it enacted, That the expenses of said board and of the examination shall be paid from the license fees above provided for, and if any surplus remain, the same may be distributed among the members of said board as a compensation for their services as members, but otherwise they shall receive no compensation whatever.

Sec. 12. And be it enacted, That all acts or parts of acts, general or special, now existing, not in accordance with the provisions of this act, or inconsistent therewith, are hereby repealed.

[Approved May 22, 1894.]

Amended as to sections 3, 4 and 9 and approved April 8, 1903.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; {, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

NEW MEXICO.

CAPITAL, SANTA FE.

Population of State, 327,396.
(U. S. Census, 1910.)
Number of Physicians, 408.

The Spanish adventurer, Alvarez Nunez, was the first to penetrate from the south into the region now constituting New Mexico, in 1536. Three years later a second journey was undertaken by Marco de Niza, and in 1540 a third by Coronado. In 1595, Juan de Onate took possession of the territory in the name of the King of Spain, without, however, giving distinct boundaries to the new acquisition. It remained a part of Mexico until 1846, when, on the outbreak of the war with the United States, General Kearney took possession of Santa Fe. In the treaty of Guadalupe Hidalgo, which terminated the war, New Mexico was ceded to the United States. It was organized as a territory by Act of Congress in 1850, and admitted as a state January 6, 1912. It lies between 31 degrees 20 minutes and 37 degrees north latitude, and 103 degrees and 109 degrees 9 minutes west longitude, and is bounded on the north by Colorado, on the east by Texas and Oklahoma, on the south by Texas and Mexico, and on the west by Arizona

The total land surface is, approximately, 122,460 square miles. The climate is salubrious; mild and equable winters being followed by cool and invigorating summers. The mean annual temperature at Santa Fe is 50.54 degrees; that of the summer 70.50 degrees, and of the winter 30.28 degrees. The rainfall is light, varying from 8 inches in the valley of the Rio Grande to 20 near the Texas state line. The face of the country is occupied by a series of lofty plateaus, or mesas, divided by mountain ranges, which often rise into high peaks, some far into the regions of perpetual snow, with fertile valleys below.

MEDICAL LAW OF NEW MEXICO.

Enacted by the Thirty-seventh Legislative Assembly and amended by the Thirty-eighth Legislative Assembly.

An Act to Regulate the Practice of Medicine in New Mexico and to Establish a Board of Health and Medical Examiners.

Be it enacted by the Legislative Assembly of the Territory of New Mexico:

Section 1. That a Board is hereby established to be called the New Mexico Board of Health and Medical Examiners, which shall be composed of seven reputable physicians of known ability, who are graduates of medical colleges in good standing, as hereinafter defined, and have been registered practitioners in, and bona fide residents of the Territory of New Mexico for a period of five years next preceding the date of their appointment. The Governor of New Mexico shall appoint the members of said Board as other territorial officers are appointed, and shall fill any vacancies occurring in said Board, and may remove any member of said Board who fails to perform his duties as hereinafter defined. Three of the members of said Board so appointed shall hold their offices for a period of two years, and the remaining four members of said Board shall hold their offices for a period of four years, and thereafter the members of said Board, upon the expiration of the terms aforesaid, shall hold their offices for a period of four years and until their successors are elected and qualified. All members of said Board shall qualify as now required of the Board of Regents of the University of New Mexico.

Sec. 2. Within sixty days after their appointment, the members of said Board shall meet in the Capitol Building, in the City of Santa Fe, New Mexico, and organize by electing one of their number as president, one as vice-president, one as secretary, and one as treasurer, and thereafter regular meetings of said Board shall be held in the said Capitol Building on the second Mondays of January, April, July, and October in each year, and there shall be not less than a two days' session at each meeting. Special meetings may be held at any time upon call of the president by written notice to all of the members of the Board, in which notice the object of the meeting shall be fully stated. A majority of the members shall constitute a quorum for the transaction of business, but a less number may meet and adjourn to some fixed date.

Sec. 3. The said Board shall, upon the production of evidence satisfactory to it, license without examination any reputable person who is a graduate of a medical college in good standing, as defined in this act, and who personally appears before the Board at a regular meeting. A medical college in good standing for the purpose of this act is defined to be one which has a standard as high as that required by the Association of the American Medical Colleges, and which has ample clinical facilities. Said Board, at its April meeting in each year, shall prepare and cause to be printed and distributed for the information of those interested a copy of this law. The Board shall not recognize any college which misrepresents its records, its teachings, its clinical facilities, or as to its students or graduates. No college of any foreign country shall be recognized, except to the same extent as such foreign country recognizes American colleges, and when said foreign college is of good standing under the laws of New Mexico. No license shall be granted except by the Board at a regular meeting, and every applicant for license shall appear in person before such Board. Such Board may recognize any honorary or emeritus degree conferred upon any foreigner by any such college as fully and to the same extent as if the applicant were a regular graduate thereof.

Sec. 4. Such Board shall also license reputable graduates of any reputable college in addition to those of other colleges in good standing, as defined by this act, who are of good moral and professional character and conduct, and have served an interneship in a good hospital, or who have taken a six months' postgraduate course in some institution having ample clinical facilities, or who have had three years or more of actual practice since graduation. Provided, That all applicants for licenses, of the classes referred to in this section, shall be examined on the following and such other subjects as the Board may from time to time prescribe: Anatomy and histology, 10 questions; chemistry, 5 questions; etiology and hygiene, 5 questions; physiology, 5 questions; materia medica, 10 questions; therapeutics, 10 questions; pathology and bacteriology, 5 questions; surgery, 10 questions; physical diagnosis, 10 questions; obstetrics, 10 questions; gynecology, 5 questions; practice of medicine, 10 questions; medical ethics and jurisprudence, 5 questions. An average of 75 per cent must be obtained at such examination by each applicant, and not less than 50 per cent must be obtained in any one subject; the Board shall allow an applicant credit marks of 5 per cent for five years of active practice; Provided, That such Board may grant licenses without examination to those applicants who have been regular licensed physicians, in other States and Territories, having qualifications and requirements equivalent to those required in New Mexico when such States and Territories reciprocate with New Mexico. The president and secretary of said Board are hereby empowered to administer oaths to applicants and all witnesses and others appearing before said

Board in any application or proceeding provided for herein, and any person making a false oath or affidavit before such president or secretary in any such proceeding shall be deemed guilty of perjury and be subject to the punishment provided for that crime. Whenever any applicant for license shall have been examined as hereinbefore provided, and shall have failed to reach the required percentage in not more than two of any of the subjects hereinbefore designated, the Board may in its discretion allow such applicant another examination on the subjects in which he has so failed at its next regular meeting, and may in its discretion issue him a temporary license authorizing him to practice medicine in the Territory of New Mexico until such meeting and until his second examination shall have been passed upon and decided by such Board.

Sec. 5. Every person holding a certificate of said Board of Health shall have the same recorded in a book provided for that purpose in the office of the Probate Clerk of the county wherein the practitioner resides, within thirty days after said certificate is issued, and the date of the recording shall be endorsed on said certificate. Said certificate, or copy of the registration must be again recorded in any county to which the practitioner may remove permanently. And the fact that no such certificate shall be found recorded in the county where any person practicing or offering to practice medicine shall be accepted by the courts as prima facie evidence that no such certificate has been issued and shall throw the burden of proving that he has a certificate upon the defendant in any suit or prosecution begun against him for the violation of the provisions of this act.

Sec. 6. It is hereby made the duty of this Board to refuse to license any person guilty of immoral, dishonorable, or unprofessional conduct, and said Board shall also revoke and annul any license which has been issued by said Board, or any previous Board, upon satisfactory proof being made to said Board that the holder of said certificate or diploma has been guilty of immoral, dishonorable or unprofessional conduct. The code of ethics as adopted by the American Medical Association shall apply to and govern all physicians and surgeons in this Territory heretofore licensed, or who shall hereafter be licensed, to practice medicine in New Mexico. Twenty days' notice shall be given in writing to the person accused of improper conduct, with a copy of the charge against him, requiring him on a day named to appear before the Board and show cause why his license should not be revoked or cancelled. When any such license has been revoked or cancelled by said Board, the said Board shall send notice in writing under the hand of the secretary, which notice shall be filed for record and recorded in the book in which the physicians' licenses are recorded, in the office of the Probate Clerk of the county in which the person, whose license has been revoked, resides. Any person whose certificate has been revoked or cancelled by said Board, under the provisions of this act, who shall thereafter practice or attempt or offer to practice medicine in New Mexico shall thereby become guilty of a misdemeanor and shall be punished as provided in Section 9 of this act.

Sec. 7. For the purpose of this act the words "practice of medicine" shall mean to open an office for such purpose or to announce to the public or any individual in any way, a desire or willingness or readiness to treat the sick or afflicted, or offer to investigate or diagnose any physical or mental ailment or disease of any person, or to suggest, recommend, prescribe, or direct, for the use of any person, any drug, medicine, appliance or other agency, whether material or not material, for the cure, relief or palliation of any ailment or disease of the mind or body, or for the cure or relief of any wound, fracture or bodily injury or deformity, after having received, or with the intent of receiving therefor, either directly or indirectly, any bonus, gift or compensation. Provided, That nothing in this act shall be construed to prohibit gratuitous service in cases of emergency, or the domestic administration of family remedies, or women from practicing midwifery, and this act shall not apply to surgeons of the United States in the discharge of their official duties, and; Provided, further, That nothing in this act shall be construed so as to interfere with the practice of osteopathy, optometry, or dentistry, as provided for by law.

Sec. 8. Each applicant for a license to practice medicine in New Mexico shall pay the secretary of the Board a fee of twenty-five dollars ($25.00) at the time of making his application.

Sec. 9. Any person who shall practice medicine, or who shall attempt to practice without first complying with the provisions of this law, and without being the holder of a license entitling him to practice medicine in New Mexico, shall be punished by a fine not to exceed one hundred dollars ($100.00), or imprisonment in the county jail not to exceed ninety days, or by both such fine and imprisonment, in the discretion of the court.

Sec. 10. One-half of every fine collected under the provisions of this act shall be paid by the court in which conviction is had to the Treasurer of the county in which the offense is committed, to be by him placed to the credit of the common school fund of such county. The other half of all such fines and all fees to be provided to be paid shall go to and be the property of said Board, and shall be by the treasurer of said Board kept in some bank desginated by said Board. He shall give bond to the Board in the sum of one thousand dollars ($1,000 00) conditioned for the faithful performance of his duties as treasurer, and that he shall pay over any and all sums of money received by him as such upon the proper order thereof. Such bond shall be given by some fidelity or surety company authorized to do business in this Territory, and the premiums therefor shall be paid by the Board as one of its necessary expenses. All the expenses of the members of said Board necessarily and properly incurred in attending the session of said Board, and for necessary supplies, shall be paid out of the funds of said Board upon the order of the president, countersigned by the secretary of the said Board. The treasurer of the Board shall keep a correct and itemized account of all moneys received and disbursed, and shall make a report to the Board at each meeting. The secretary of said Board is required to report the doings and proceedings of said Board, together with the amount of all moneys by it received and disbursed and on what account, with items, on the first day of December in each year, to the Governor of New Mexico.

Sec. 11. Said Board is hereby authorized and empowered to make all necessary rules and regulations for carrying out the provisions of this act.

DR. SHORTLE'S
ALBUQUERQUE SANATORIUM
FOR TUBERCULOSIS

New and modern buildings, pleasant location with commanding view of the mountains which entirely surround the city at a distance. Every room has a sleeping porch, running water, central heat, call bells, etc., etc. Also one-room cottages if preferred. In an ideal climate for carrying out the open air and rest cure.
Rain fall 7.2 inches. Altitude 5100 feet. Tuberculin used in suitable cases and special attention is given to Laryngeal cases.

RATES: $20 TO $25 PER WEEK

Located at Albuquerque, N. M., the center of the health belt

DR. A. G. SHORTLE, Medical Director
DR. W. D. BRYAN, Bacteriologist
M. W. ACRES, Business Manager

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; {, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

NEW YORK.

CAPITAL, ALBANY.

Population of State, 9,113,614.
(U S Census, 1910.)
Number of Physicians, 13,977.

Hendrick Hudson, an English navigator in the service of the Dutch East India Company, was the first European, who (in 1609) entered the Bay of New York and explored the river now bearing his name. Four years later the Dutch established trading posts on Manhattan Island and below Albany. In 1614, the entire colony received the name of "New Netherlands," but in 1664 the Duke of York appeared with a squadron before New Amsterdam and demanded its surrender. Governor Stuyvesant had to yield and the colony received the name of New York. The Dutch retook it in 1673, but in the following year it was finally ceded to the English by the treaty of Westminster. The part borne by New York in the Revolution is familiar history; many famous battles of that struggle were fought within her borders. On April 20, 1777, a state constitution was adopted and the state ratified the United States constitution, July 26, 1788. New York extends from 71 degrees 51 minutes to 79 degrees 47 minutes 25 seconds west longitude, and from 40 degrees 29 minutes 40 seconds to 45 degrees 0 minutes 42 seconds north latitude, and is bounded on the north and west by Canada, from which it is separated by the St Lawrence river, Lake Ontario, Niagara river and Lake Erie; on the south by New Jersey and Pennsylvania, and on the east by Connecticut, Massachusetts and Vermont. The climate, though marked by great extremes, is on the whole moderate and salubrious. The Adirondack region, with its long and severe winters, is the coldest part of the state and has a mean annual temperature of less than 40 degrees. The mean annual temperature in the central portions is from 44 to 48 degrees, and in the extreme southern 50 degrees. The rainfall varies from 32 inches in the St. Lawrence valley to 44 inches in the Lower Hudson valley. The interior parts of the state receive about 40 inches. New York was formerly covered with forests, and these are still extensive, although the state is one of the most densely populated and best cultivated in the Union. The Adirondack Mountains are timbered with coniferous trees and poplars. In the other portions the most prevalent are deciduous trees, as the oak, maple, hickory, chestnut, elm, linden, beech, sycamore and cedar. The surface is greatly diversified and includes rolling plateaus, level valleys and lofty mountain chains. The principal rivers are the Hudson, which rises in the Adirondacks, and pursuing a southerly course empties into New York Bay. Its total length is about 300 miles and for the last 150 it is navigable for the largest vessels; the St Lawrence, which washes a portion of the northern boundary and with its numerous tributaries drains and irrigates that portion of the state; the Oswego, Niagara, Allegheny, Susquehanna, Black, Mohawk and Delaware. Its mountain system includes the northern terminus of the Alleghenian Blue Ridge in the Highlands of the Hudson, and the Adirondack groups in the northeastern angle of the state. There are over 1,300 lakes.

This is a magnificent agricultural state, producing in abundance everything known to its latitude. It is the most important state in the Union in the extent and value of dairy farming and nurseries. The fruit-growing interests are very large, especially apples, pears and grapes. The mineral treasures of New York are great, although they neither include coal nor the precious metals. Iron ores lead, gypsum, marble, sandstone, limestone, bluestone and granite are plentiful. Oil is found in abundance in the western portion. The salt springs in Onondaga, Orleans, Erie and Genesee counties yield over 12,000,000 bushels annually of pure salt. The manufacturing interests of this the "Empire State" of the Union are most extensive, and the state ranks first in the value of its manufactured products.

For list of Medical Colleges, see page 151.

STATE DEPARTMENT OF HEALTH.

Office, Capitol Bldg, Albany; Commissioner, E H Porter, M D.

Division of Administration—Deputy Comnr, Wm A Howe, M D; Sec, A H Seymour.

Clifton Springs Sanitarium

CLIFTON SPRINGS, N. Y.

Founded in 1850 by the Late Henry Foster, M. D.

Our Medical Staff consists of eleven physicians (10 men and one woman), regular graduates of the principal schools of the East, and experienced in Sanitarium practice.

The Surgical Department is equipped with all the latest appliances in hospital outfit, and is under the care of an eminently successful surgeon.

The Sulphur Springs, because in the proportions in which are combined the essential compounds, are classed with the **leading remedial** springs of the world.

The Baths, magnificently furnished in marble and tile, are complete in every detail. **The Nauheim Baths** for heart trouble are unsurpassed in this country.

The Treatment Rooms are equipped to supply the most helpful methods known to medical science, including electricity in all its forms.

The Nurses, supplementing the work of the Medical Staff, is a large corps of trained nurses and bath attendants.

The Efficiency of the departments prove to any investigator that our facilities for Medical and Surgical Treatments are of the very best.

Our Main Building, of which a picture is here shown,, is absolutely Fireproof and thoroughly up-to-date in all of its appointments; is heated by steam; provided with elevators, electric bells, and both gas and electric lights.

No Tubercular, Insane or Epileptic Cases received. **(See Next Page)**

Clifton Springs Sanitarium

CLIFTON SPRINGS, N. Y.

Founded in 1850 by the Late Henry Foster, M. D.

Distinctly an Ideal Sanitarium.

Beautiful for Situation, Healthful Surroundings, Complete in Equipment.
Renowned for Its Liberal Terms.

Physicians are invited to visit the Sanitarium that they may know from personal observation that our facilities for care and treatment are all that we claim them to be.

The Dining Room, spacious and well lighted by large windows on three sides of the room, is very attractive. **The cuisine** is of the best. Plenty of good food well prepared and served is fully appreciated by our patrons.

The Parks. We have the largest park system of any like institution in this country. A beautiful stream winds its way through these sixty acres of old forest trees, and good walks make all parts accessible even to those in wheel chairs.

Map Showing
LOCATION OF
CLIFTON SPRINGS
NEW YORK.

Location. From the map above it will be readily seen that we are situated in the most delightful part of **New York State** on the Auburn branch of the New York Central & Hudson River and on the main line of the Lehigh Valley Railways. We are thus in direct communication with the principal cities of the state, and through them with the whole country. Direct sleepers from New York, Philadelphia, Chicago and intermediate points.

Clifton Springs has been made an all-the-year-round excursion point and special round-trip tickets may be secured by application to local ticket agents.

No Tubercular, Insane or Epileptic Cases received.

Write for illustrated booklet and full particulars.

MEDICAL LAW OF NEW YORK.

Public Health Law, Chapter 45 of the Consolidated Laws.
Became a law February 17, 1909.

Article 8 Practice of Medicine.

§ 160 Definitions. As used in this article:

1. "The Education Department" means the Education Department of the State of New York, as provided for by the Education Law.

2. "University" means University of the State of New York.

3. "Regents" means Board of Regents of the University of the State of New York.

4. "Board" means the Board of Medical Examiners of the State of New York.

5. "Medical examiner" means a member of the Board of Medical Examiners of the State of New York.

6. "Medical school" means any medical school, college, or department of a university, registered by the Regents, as maintaining a proper medical standard and as legally incorporated.

7. The practice of medicine is defined as follows: A person practices medicine within the meaning of this article, except as hereinafter stated, who holds himself out as being able to diagnose, treat, operate, or prescribe for any human disease, pain, injury, deformity or physical condition, and who shall either offer or undertake, by any means or method, to diagnose, treat, operate, or prescribe for any human disease, pain, injury, deformity or physical condition.

8. "Physician" means a practitioner of medicine.

§ 161 Qualifications: No person shall practice medicine, unless registered and legally authorized prior to September 1, 1891, or unless licensed by the Regents and registered under article 8 of chapter 661 of the laws of 1893 and acts amendatory thereto, or unless licensed by the Regents and registered as required by this act; nor shall any person practice under this article who has ever been convicted of a felony by any court, or whose authority to practice is suspended or revoked by the Regents on recommendation of the State board. The conviction of a felony shall include the conviction of any offense which if committed within the State of New York would constitute a felony under the laws thereof.

§ 162. The State Board of Medical Examiners: The State Board of Medical Examiners is continued. The members of said board now in office shall continue in office until the expiration of their respective terms. Said board shall consist of nine members who shall be appointed by the Regents and who shall hold office for three years from August 1st of the year in which appointed. The Regents shall annually appoint three members to fill the vacancies caused by expiration of term of office, and may at any time fill vacancies on the board caused by death, resignation, or removal from office. No person shall be appointed a member of the Board of Medical Examiners who is not eligible to receive a license to practice from the Regents in accordance with the provisions of this article or of chapter 661 of the Laws of 1893 and acts amendatory thereof and who has not been in practice in this State for at least five years prior to date of appointment. The Regents may remove any member of the board of examiners for misconduct, incapacity or neglect of duty. The Regents shall appoint a secretary to the board of examiners, who shall not be a member of the board, and who shall hold office during the pleasure of the Regents and who shall receive an annual compensation of $4000, payable from the fees received under this article. The secretary shall be a duly licensed physician.

§ 163. Certificate of appointment; oath; powers: Every medical examiner shall receive a certificate of appointment from the Regents and before beginning his term of office shall file with the Secretary of State the constitutional oath of office. The board, or any committee thereof, may employ counsel, shall have the power to compel the attendance of witnesses, and may take testimony and proofs concerning all matters within its jurisdiction. The board may, subject to the Regents' approval, make all by-laws and rules not inconsistent with law needed in performing its duty; but no by-law or rule by which more than a majority vote is required for any specified action by the board shall be amended, suspended or repealed by a smaller vote than that required for action thereunder.

§ 164. Expenses: The fees derived from the operation of this article shall be paid into the State treasury, and the Legislature shall annually appropriate therefrom for the Education Department an amount sufficient to pay all proper expenses incurred pursuant to this article.

§ 165. Officers; meetings; quorum; committees: The board shall annually elect from its members a president and a vice-president for the academic year, and shall hold one or more meetings each year pursuant to call of the Regents. At any meeting a majority shall constitute a quorum; but questions prepared by the board may be grouped and edited, or answer papers of candidates may be examined and marked by committees duly authorized by the board and approved by the Regents.

§ 166. Admission to examination: The Regents shall admit to examination any candidate who pays a fee of $25 and submits evidence, verified by oath, and satisfactory to the Regents, that he,

1. Is more than 21 years of age.

2. Is of good moral character.

3. Had prior to beginning the second year of medical study the general education required preliminary to receiving the degree of bachelor or doctor of medicine in this State.

4. Has studied medicine not less than four school years, including four satisfactory courses of at least seven months each, in four different calendar years in a medical school registered as maintaining at the time a standard satisfactory to the Regents. New York medical schools and New York medical students shall not be discriminated against by the registration of any medical school out of the State whose minimum graduation standard is less than that fixed by statutes for New York medical schools. The Regents may, in their discretion, accept as the equivalent for any part of the third and fourth requirement, evidence of five or more years' reputable practice, provided that such substitution be specified in the license, and, as the equivalent of the first year of the fourth requirement, evidence of graduation from a registered college course, provided that such college course shall have included not less than the minimum requirements prescribed by the Regents for such

A Home for Mental and Nervous Diseases. Breezehurst Terrace. Whitestone, ***L.I., N.Y. City.*** Beautiful Surroundings, overlooking Manhattan and L-I-Sound (Licensed) (See adv. in N.Y. City)

admission to advanced standing. The Regents may also in their discretion admit conditionally to the examination in anatomy, physiology, hygiene, sanitation, and chemistry, applicants 19 years of age certified as having studied medicine not less than two years, including two satisfactory courses of at least seven months each, in two different calendar years, in a medical school registered as maintaining at the time a satisfactory standard, provided that such applicants meet the second and third requirements.

5. Has either received the degree of bachelor or doctor of medicine from some registered medical school, or a diploma or license conferring full right to practice medicine in some foreign country unless admitted conditionally to the examinations as specified above, in which case all qualifications, including the full period of study, the medical degree and the final examinations in surgery, obstetrics, gynecology, pathology, including bacteriology, and diagnosis must be met. The degree of bachelor or doctor of medicine shall not be conferred in this State before the candidate has filed with the institution conferring it the certificate of the Regents that before beginning the first annual medical course counted toward the degree, unless matriculated conditionally as hereinafter specified, he had either graduated from a registered college or satisfactorily completed a full course in a registered academy or high school; or had a preliminary education considered and accepted by the Regents as fully equivalent; or held a Regents medical student certificate; or passed Regents examinations securing 60 academic counts, or their full equivalent, before beginning the first annual medical course counted toward the degree, unless admitted conditionally as hereinafter specified. A medical school may matriculate conditionally a student deficient in not more than one year's academic work of 15 counts of the preliminary education requirement, provided the name and deficiency of each student so matriculated be filed at the Regents office within three months after matriculation, and that the deficiency be made up before the student begins the second annual medical course counted toward the degree.

6. Where the application be for a license to practice osteopathy, the applicant shall produce evidence that he has studied osteopathy not less than three years, including three satisfactory courses of not less than nine months each in three different calendar years in a college of osteopathy maintaining at the time a standard satisfactory to the Regents. After 1910 the applicant for a license to practice under this article shall produce evidence that he has studied not less than four years including four satisfactory courses of not less than seven months each in four different calendar years in a college maintaining at the time a standard satisfactory to the Regents.

§ 167. Questions: The board shall submit to the Regents, as required, lists of suitable questions for thorough examination in anatomy, physiology, hygiene, sanitation, chemistry, surgery, obstetrics, gynecology, pathology, including bacteriology, and diagnosis. From these lists the Regents shall prepare question papers for all these subjects, which at any examination shall be the same for all candidates, except that the examination may be divided as provided in section 166.

§ 168. Examinations and reports: Examinations for licenses shall be given in at least four convenient places in this State and at least four times annually, in accordance with the Regents rules, and shall be exclusively in writing and in English. Each examination shall be conducted by a Regents examiner who shall not be one of the medical examiners. At the close of each examination the Regents examiner in charge shall deliver the questions and answer papers to the board or its duly authorized committee, who, without unnecessary delay, shall examine and mark the answers and transmit to the Regents an official report, signed by its president and secretary, stating the standing of each candidate in each branch, his general average and whether the board recommends that a license be granted. Such report shall include the questions and answers and shall be filed in the public records of the University. If a candidate fails on first examination, he may, after not less than six months' further study, have a second examination without fee. If the failure is from illness or other cause satisfactory to the Regents they may waive the required six months' study.

§ 169. Licenses: On receiving from the State board an official report that an applicant has successfully passed the examinations and is recommended for license, the Regents shall issue to him a license to practice according to the qualifications of the applicant. Every license shall be issued by the University under seal and shall be signed by each acting medical examiner and by the officer of the University who approved the credential which admitted the candidate to examination, and shall state that the licensee has given satisfactory evidence of fitness as to age, character, preliminary and medical education and all other matters required by law, and that after full examination he has been found properly qualified to practice. Applicants examined and licensed by other State examining boards registered by the Regents as maintaining standards not lower than those provided by this article and applicants who matriculated in a New York State medical school before June 5, 1890, and who received the degree of doctor of medicine from a registered medical school before August 1, 1895, may without further examination, on payment of $25 to the Regents and on submitting such evidence as they may require, receive from them an indorsement of their licenses or diplomas conferring all rights and privileges of a Regents license issued after examination. The Commissioner of Education may in his discretion on the approval of the Board of Regents indorse a license or diploma of a physician from another state, provided the applicant has met all the preliminary and professional qualifications required for earning a license on examination in this State, has been in reputable practice for a period of ten years, and has reached a position of conceded eminence and authority in his profession. If any person, whose registration is not legal because of some error, misunderstanding or unintentional omission, shall submit satisfactory proof that he had all requirements prescribed by law at the time of his imperfect registration and was entitled to be legally registered, he may on unanimous recommendation of the State Board of Medical Examiners receive from the Regents under seal a certificate of the facts which may be registered

by any county clerk and shall make valid the previous imperfect registration. Before any license is issued it shall be numbered and recorded in a book kept in the Regent's office, and its number shall be noted in the license; and a photograph of the licensee filed with the records. This record shall be open to public inspection, and in all legal proceedings shall have the same weight as evidence that is given to a record of conveyance of land.

§ 170. Registry; revocation of license; annulment of registry: Every license to practice medicine shall, before the licensee begins practice thereunder, be registered in a book kept in the clerk's office of the county where such practice is to be carried on, with name, residence, place and date of birth, and source, number and date of his license to practice. Before registering, each licensee shall file, to be kept in a bound volume in a county clerk's office, an affidavit of the above facts, and also that he is the person named in such license, and had, before receiving the same, complied with all requirements as to attendance, terms and amount of study and examinations required by law and the rules of the University as preliminary to the conferment thereof; that no money was paid for such license, except the regular fees paid by all applicants therefor; that no fraud, misrepresentation or mistake in any material regard was employed by any one or occurred in order that such license should be conferred. Every license, or if lost a copy thereof legally certified so as to be admissible as evidence, or a duly attested transcript of the record of its conferment, shall, before registering, be exhibited to the county clerk, who, only in case it was issued or indorsed as a license under seal by the Regents, shall indorse or stamp on it the date and his name preceded by the words: "Registered as authority to practice medicine in the clerk's office of..............county." The clerk shall thereupon give to every physician so registered a transcript of the entries in the register with a certificate, under seal that he has filed the prescribed affidavit. The licensee shall pay to the county clerk a total fee of $1 for registration, affidavit and certificate. The Regents shall have power at any and all times to inquire into the identity of any person claiming to be a licensed or registered physician and after due service of notice in writing, require him to make reasonable proof, satisfactory to them, that he is the person licensed to practice medicine under the license by virtue of which he claims the privilege of this article. When the Regents find that a person claiming to be a physician, licensed under this act, is not in fact the person to whom the license was issued, they shall reduce their findings to writing and file them in the office of the clerk of the county in which said person resides or practices medicine. Said certificate shall be prima facie evidence that the person mentioned therein is falsely impersonating a practitioner or a former practitioner of a like or different name. The Regents may revoke the license of a practitioner of medicine, or annul his registration, or do both, in any of the following cases:

First, a practitioner of medicine who is guilty of any fraud or deceit in his practice, or who is guilty of a crime or misdemeanor, or who is guilty of any fraud or deceit by which he was admitted to practice; or,

Second, is an habitual drunkard or habitually addicted to the use of morphine, opium, cocaine, or other drugs having a similar effect; or,

Third, who undertakes or engages in any manner or by any ways or means whatsoever, to procure or perform any criminal abortion as the same is defined by section 80 of the penal law; or,

Fourth, who offers or undertakes by any manner or means to violate any of the provisions of section 1142 of the penal law.

Proceedings for revocation of a license or the annulment of registration shall be begun by filing a written charge or charges against the accused. These charges may be preferred by any person or corporation, or the Regents may on their own motion direct the executive officer of the Board of Regents to prefer said charges. Said charges shall be filed with the executive officer of the Board of Regents, and a copy thereof filed with the secretary of the Board of Medical Examiners. The Board of Medical Examiners, when charges are preferred, shall designate three of their number as a committee to hear and determine said charges. A time and place for the hearing of said charges shall be fixed by said committee as soon as convenient, and a copy of the charges, together with a notice of the time and place when they will be heard and determined, shall be served upon the accused or his counsel, at least ten days before the date actually fixed for said hearing. Where personal service or service upon counsel can not be effected, and such fact is certified on oath by any person duly authorized to make legal service, the Regents shall cause to be published for at least seven times, for at least twenty days prior to the hearing, in two daily papers in the county in which the physician was last known to practice, a notice to the effect that at a definite time and place a hearing will be had for the purpose of hearing charges against the physician upon an application to revoke his license. At said hearing the accused shall have the right to cross-examine the witnesses against him and to produce witnesses in his defense, and to appear personally or by counsel. The said committee shall make a written report of its findings and recommendations, to be signed by all its members, and the same shall be forthwith transmitted to the executive officer of the Board of Regents. If the said committee shall unanimously find that said charges, or any of them, are sustained, and shall unanimously recommend that the license of the accused be revoked or his registration be annulled, the Regents may thereupon in their discretion, revoke said license or annul said registration, or do both. If the Regents shall annul such registration, they shall forthwith transmit to the clerk of the county or counties in which said accused is registered as a physician, a certificate under their seal certifying that such registration has been annulled, and said clerk shall, upon receipt of said certificate, file the same and forthwith mark said registration "Annulled." Any person who shall practice medicine after his registration has been marked "Annulled" shall be deemed to have practiced medicine without registration. Where the license of any person has been revoked, or his registration has been annulled as herein provided, the Regents may, after the expiration of one year, entertain an application for a new license, in like manner as original applications for licenses are entertained; and upon such new application they may in their discretion, exempt the applicant from the necessity of undergoing any examination.

§ 171. Registry in another county: A practising physician having registered a lawful authority to practice medicine in one county, and removing such practice or part thereof to another county, or regularly engaging in practice or opening an office in another county shall show or send by registered mail to the clerk of such other county, his certificate of registration. If such certificate clearly shows that the original registration was of an authority issued under seal by the Regents, or if the certificate itself is indorsed by the Regents as entitled to registration, the clerk shall thereupon register the applicant in the latter county, on receipt of a fee of 25 cents, and shall stamp or indorse on such certificate the date and his name preceded by the word, "Registered also in..............county," and return the certificate to the applicant.

§ 172. Certificate presumptive evidence; unauthorized registration and license prohibited: Every unrevoked certificate and indorsement of registry, made as provided in this article, shall be presumptive evidence in all courts and places, that the person named therein is legally registered. Hereafter no person shall register any authority to practice medicine unless it has been issued or indorsed as a license by the Regents. No such registration shall be valid unless the authority registered constituted, at the time of registration, a license under the laws of the State then in force. No diploma or license conferred on a person not actually in attendance at the lectures, instruction and examinations of the school conferring the same, or not possessed at the time of its conferment of the requirements then demanded of medical students in this State as a condition of their being licensed so to practice, and no registration not in accordance with this article shall be lawful authority to practice medicine, nor shall the degree of doctor of medicine be conferred causa honoris or ad eundem, nor if previously conferred, shall it be a qualification for such practice.

§ 173. Construction of this article: The article shall not be constructed to affect commissioned medical officers serving in the United States army, navy or marine hospital service, while so commissioned, or any one while actually serving without salary or professional fees on the resident medical staff of any legally incorporated hospital; or any legally registered dentist exclusively engaged in practising dentistry; or any person or manufacturer who mechanically fits or sells lenses, artificial eyes, limbs or other apparatus or appliances, or is engaged in the mechanical examination of eyes, for the purpose of constructing or adjusting spectacles, eyeglasses and lenses; or any lawfully qualified physician in other states or countries meeting legally registered physicians in this State in consultation; or any physician residing on a border of a neighboring state and duly licensed under the laws thereof to practice medicine therein, whose practice extends into this state, and who does not open an office or appoint a place to meet patients or receive calls within this state; or any physician duly registered in one county called to attend isolated cases in another county, but not residing or habitually practicing therein; or the furnishing of medical assistance in case of emergency; or the domestic administration of family remedies; or the practice of chiropody; or the practice of the religious tenets of any church. This article shall be construed to repeal all acts or parts of acts authorizing conferment of any degree in medicine causa honoris or ad eundem or otherwise than on students duly graduated after satisfactory completion of a preliminary medical course not less than that required by this article as a condition of license. It is further provided that any person who shall be actively engaged in the practice of osteopathy in the State of New York on the 13th day of May, 1907, and who shall present to the Board of Regents satisfactory evidence that he is a graduate in good standing of a regularly conducted school or college of osteopathy within the United States which at the time of his or her graduation required a course of study of two years or longer, including the subjects of anatomy, physiology, pathology, hygiene, chemistry, obstetrics, diagnosis and the theory and practice of osteopathy, with actual attendance of not less than twenty months, which facts shall be shown by his or her diploma and affidavit, shall upon application and payment of $10 be granted, without examination, a license to practice osteopathy, provided application for such license be made within six months after the 13th day of May, 1907. A license to practice osteopathy shall not permit the holder thereof to administer drugs or perform surgery with the use of instruments. Licenses to practice osteopathy shall be registered in accordance with the provisions of this article and the word osteopath be included in such registration; and such license shall entitle the holder thereof to the use of the degree D. O., or doctor of osteopathy.

§ 174. Penalties and their collection: Any person who, not being then lawfully authorized to practice medicine within this State and so registered according to law, shall practice medicine within this State without lawful registration or in violation of any provision of this article; and any person who shall buy, sell, or fraudulently obtain any medical diploma, license, record, or registration, or who shall aid or abet such buying, selling or fraudulently obtaining, or who shall practice medicine under cover of any medical diploma, license, record or registration illegally obtained, or signed, or issued unlawfully or under fraudulent representations, or mistake of fact in a material regard, or who, after conviction of a felony, shall attempt to practice medicine, or shall so practice, and any person who shall in connection with his name use any designation tending to imply or designate him as a practitioner of medicine within the meaning of this article without having registered in accordance therewith, or any person who shall practice medicine or advertise to practice medicine under a name other than his own, or any person not a registered physician who shall advertise to practice medicine, shall be guilty of a misdemeanor. Any person who shall practice medicine under a false or assumed name, or who shall falsely personate another practitioner or former practitioner of a like or different name, shall be guilty of a felony. When any prosecution under this article, or under sections 80, 81, 82, 1142, 1747 of the penal law, and any amendments thereto, is made on the complaint of any incorporated medical society of the State, or any county medical society entitled to representation in a State society, any fines collected shall be paid to the society making the complaint, and any excess of the amount of fines so paid over the expense incurred by the said society in enforcing the medical laws of this State, shall be paid at the end of the year to the county treasurer.

ADMISSION TO MEDICAL PRACTICE IN THE STATE OF NEW YORK.

Admission to medical practice in the State of New York may be granted by the Regents in three ways:

1. By the issuance of a license to a candidate who satisfies all the requirements for admission to, and who passes, the licensing examination.

2. By indorsement of a license earned on examination in another state, maintaining standards not lower than those prescribed in this State, and with which the State of New York is in reciprocal agreement to indorse medical licenses issued on examination.

3. By indorsement of a license or diploma earned in another state upon standards not lower than those prescribed in the State of New York, upon the ground of conceded eminence and authority in the profession.

Explanation of the regulations and of the procedure by which candidates in each of the three mentioned ways are admitted to medical practice follows:

License on examination: All applicants for license to practice medicine upon examination must meet (a) the preliminary requirement, (b) the professional requirement, (c) the licensing examination.

The preliminary requirement: The preliminary requirement determines admission to registered medical schools, which is the completion of an approved four-year high school course or the equivalent.

Medical student certificate: The medical student certificate, official evidence of the fulfillment of the preliminary requirement, may be secured in any one of the following ways:

1. By presenting evidence, upon forms furnished by the Department, of the successful completion of four years' work in an approved secondary school.

2. By earning an academic diploma on Regents examinations in the schools.

3. By presenting evidence of the successful completion of one full year's work in an approved college or university.

4. By presenting evidence of the successful completion of work in another state or in a foreign country equivalent to the completion of a four-year course in an approved New York State secondary school.

5. By presenting from a professional school evidence of the completion of work recognized as the equivalent of one or more years of work in an approved secondary school together with sufficient additional credits to make the full equivalent of a four-year course in an approved secondary school. Under this head allowance is made for study completed in registered schools of theology, law, dentistry, pharmacy, and veterinary medicine.

6. By earning 60 academic counts in Regents examinations, with a rating of at least 75 per cent in each subject, as follows:

English, three years, 10 counts; elementary algebra, 5 counts; plane geometry, 5 counts; physics and chemistry, 10 counts, or physics and biology, 10 counts, or chemistry and biology, 10 counts; any second year foreign language, 10 counts; American history with civics, 5 counts; electives, 15 counts.

The electives shall be: English, fourth year, 3 counts; Latin, second year, or Greek, second year, or French, second year, or German, second year, or Spanish, second year, or Italian, second year, or Hebrew, second year, 10 counts; advanced algebra, 5 counts; advanced arithmetic, 2 counts; physical geography 5 counts; ancient history, 5 counts; history of Great Britain and Ireland, 5 counts; modern history I, 3 counts; modern history II, 3 counts; economics, 2 counts; elementary bookkeeping and business practice, 3 counts; advanced bookkeeping and office practice, 5 counts; shorthand I, 5 counts; shorthand II, 5 counts; elementary representation, 2 counts; advanced design, 2 counts; advanced representation, 2 counts.

7. By passing Regents examinations to supplement one or more successful years of work in an approved school. Fifteen counts are allotted for each year of such work. All candidates who present evidence of the partial completion of a secondary school course will be advised in what subjects it will be necessary for them to pass examinations to complete the requirements for the medical student certificate. So far as practicable the additional examinations necessary will be based upon the requirements for the 60-count certificate as indicated in paragraph 6.

Special examination in English: All applicants for a medical student certificate upon credentials from foreign countries other than those in which English is the language of the people, all or any part of which are earned or issued in said foreign countries, must pass a special examination in English. No counts are granted in the special English examination.

Completion of the preliminary requirement: The medical student certificate must be filed with the medical school before the student begins his first annual medical course counted toward the degree of bachelor or doctor of medicine. But a medical school may matriculate a student conditionally who is deficient in not more than one year of academic work, or 15 counts, of the required preliminary education; provided the name and deficiency of each student so matriculated be filed at the Department within three months after matriculation and that the deficiency be made up before the student begins his second annual medical course counted toward the degree.

An approved secondary course: The Regents have outlined an approved secondary course of admission to medical schools, in which the subjects followed by a star are deemed essential to a sound education and should be prescribed for all students; the subjects preceded by the letter a should be required of all students preparing to enter professional schools, and the subjects preceded by the letter c should be required of all students preparing to enter medical schools:

Professional requirement: The professional requirement consists of four satisfactory courses of at least seven months each in four different calendar years in medical schools registered by the Regents as maintaining at the time satisfactory standards and graduation with the degree of bachelor or doctor of medicine from a registered school.

Acceptance of reputable practice: The Regents have defined and determined the limits within which five or more years of reputable practice may be accepted as the equivalent for any part of the preliminary and professional requirements for admission to the medical licensing examination, as follows:

(a) For matriculates prior to January 1, 1897, in lieu of all the preliminary requirement and one year of the professional requirement.

(c) For matriculates after January 1, 1911, no acceptance of reputable practice for any part of either the third or fourth requirements.

Combined baccalaureate and medical courses. The Regents rule regarding the combined baccalaureate and medical courses provides that a college or university may be registered as maintaining a satisfactory standing for one full year of medicine when the combined course for the baccalaureate and medical degrees is not less than seven years; and a university maintaining a registered medical school may be registered as maintaining a satisfactory standing if it shall confer academic degrees and medical degrees as a result of a combined course covering six yers, provided the diploma conferring the academic degree, whether it be conferred at the end of four years or at the end of six years, shall clearly indicate that such degree is conferred as the result of concurrent courses covering six years; but this must in no case be construed to mean that less than four years' work in subjects essential to a liberal education will be approved as the basis of the academic degree.

An approved college or university to be registered as maintaining a satisfactory standing for one full year of medicine must afford instruction in the subjects of the first year of medicine, viz: anatomy, physiology, chemistry, physics, histology, embryology and bacteriology. 750 hours (450 recitation, 300 laboratory), viz:

Subjects	Recitation	Laboratory	Actual	Credit
Anatomy	40 hours	60 hours	100 hours	70 hours
Bacteriology	30	20	50	40

Histology	60	80	140	100
Materia medica	30	40	70	50
Physics	90	120	210	150
Physiology	90	120	210	150
Total	450	600	1050	750

The general chemistry or physics may be completed in a secondary school approved on inspection for this specific purpose. Materia medica may be substituted for physiologic chemistry.

The colleges formally registered by Regents under this rule are:

Bowdoin College, Brunswick, Me.; B. A., M. D.
Brown University, Providence, R. I.; B. A. in Med. (7-year course)
Columbia University, New York, N. Y.; B. A. in Med.; B. S. in Med. (6-year course)
George Washington University, Washington, D. C.; Ph. D. in Med. (7-year course)
Rutgers College, New Brunswick, N. J.; B. A. in Med.; B. L. in Med.; B. S. in Med. (4-year course)
Syracuse University, Syracuse, N. Y.; B. A. in Med.; Ph. B. in Med.; B. S. in Med. (7-year course); B. S. in Med. (6-year course)
Tufts College, Tufts College, Mass.; B. S. in Med. (7-year course)
University of Maine, Orono, Me.; B. A. in Med. (7-year course)
University of Pennsylvania, Philadelphia, Pa.; B. A. in Med. (7-year course)
University of Toronto, Toronto, Ont.; B. A. in Med. (7-year course)

Comity of action in the transfer of students from one professional school to another. The Department does not consider a course in a medical school satisfactory within the meaning of the medical law, section 166, item 4, if more than two conditions, one major of 100 hours and one minor of 50 hours, are allowed students for promotion from one year's class to the next.

(c) Licensing examination. A candidate for admission to the medical licensing examination must pay a fee of $25, submit evidence, verified by oath and satisfactory to the Department, that he (a) is more than 21 years of age, (b) is of good moral character, and (c) has met the preliminary and the professional requirements as set forth above.

Examinations. The examinations are conducted by the Department and answer papers are read and marked by the board, who know the candidate only by number. The subjects of the licensing examinations are (1) anatomy; (2) physiology; (3)

Keeley Cure 1087 DENNISON AVE., **COLUMBUS, OHIO**
Successful Treatment for Liquor and Drug Using, Neurasthenia, Tobacco and Cigarette addictions. (See pages 27 and 28.)

chemistry; (4) hygiene and sanitation; (5) surgery; (6) obstetrics and gynecology; (7) pathology and bacteriology; (8) diagnosis. The minimum standing required in each subject is 75 per cent.

Partial examinations. An applicant 19 years of age certified as having studied medicine not less than two years, including two satisfactory courses of at least seven months each, in two different calendar years, in a medical school registered as maintaining at the time a satisfactory standard, may be admitted conditionally to the examinations in (1) anatomy; (2) physiology; (3) chemistry.

Schedule of examinations for license to practise medicine from 1911 to 1915:

Year	1912	1913	1914	1915
Winter	Jan. 30-Feb 2	Jan. 28-31	Jan. 27-30	Jan. 26-29
Spring	May 14-17	May 20-23	May 19-22	May 25-28
Summer	June 25-28	June 24-27	June 23-26	June 29-July 2
Autumn	Sept. 17-20	Sept. 23-26	Sept. 22-25	Oct. 5-8

Places—New York, Albany, Syracuse, Buffalo. Each candidate is notified as to exact place.

	Morning 9:15	Afternoon 1:15
Tuesday	Anatomy	Physiology
Wednesday	Chemistry	Hygiene and sanitation
Thursday	Surgery	Obstetrics and gynecology
Friday	Pathology and bacteriology	Diagnosis

II License by Indorsement. Under this provision of the statute the medical licenses of the following state examining boards, earned upon examinations, may be indorsed if all other requirements of the New York statute have been met. This means that the candidate must present qualifications which actually entitle him to admission to the licensing examination in the State of New York, if his license from another state is to be indorsed. Such candidate must pay the fee of $25. The date following the state in each instance is that of the Regents' action approving the agreement:

Delaware, June 17, 1909; Indiana, October 28. 1909; Michigan, October 25, 1906; Ohio, October 17, 1907; Utah, October 28, 1909; Vermont, December 21, 1907; Wisconsin, October 28, 1909.

III License on Approval.—The commissioner of Education may on the approval of the Regents indorse the diploma or license of a physician from another state provided the applicant (1) has met all the preliminary and professional requirements for admission to the licensing examination in this State: (2) has been in reputable practice for ten years; (3) has reached a position of conceded eminence and authority in his profession.

The Regents have defined "eminence" and "authority" in the following action:

Voted, That no physician should be admitted to practice in this State on the ground that he "has reached a position of conceded eminence and authority in his profession," unless it is made to appear that he is deeply and broadly educated; that he has made some substantial contributions to the literature of the medical profession, and that he has been actively related to some phase of medical practice for a sufficient time to cause him to be widely recognized by intelligent members of the medical profession, as well as by considerable numbers of people who have occasion to be interested in the services which that profession renders to the public. Eminence and authority, as used in this connection, must be given a substantial and significant meaning. Authority in the medical profession is not acquired through a medical education that is only ordinary and a practice that is merely usual; and eminence in the profession can be acquired only through the assiduous prosecution of medical practice for a considerable time, and through some special work that has laid the profession under some obligation to the practitioner.

Rules and Regulations of the Board of Medical Examiners.—The following are the rules governing the medical licensing examinations adopted by the board and approved by the Regents.

1. The names of the candidates are not to appear on answer pages, but a number that is to be assigned is to be used.
2. An answer paper bearing a candidate's name or any other designation which would or could reveal the candidate's identity, must be forwarded to the secretary of the board, unrated. The secretary shall thereupon send such answer paper to one of the other members of the board for rating, making sure that no evidence as to the identity of the candidate remains on the answer paper.
3. Seventy-five per cent in each topic is required for a license.
4. Candidates must pass at 90 per cent or more in each of the eight topics in order to receive an honor license.
5. Candidates who have passed in seven of the eight topics with a rating of 90 per cent or more and whose mark in the other topic is 89 per cent, shall be entitled to a review for honor license, unasked.
6. Papers should be rated by the examiner at the minimum rate of at least 20 a day, more if possible, from the date of receipt.
7. Candidates taking the full examination and failing in but one topic may take a subsequent examination in the topic in which rejected, at any one of the regular examinations without payment of an additional fee, provided application for admission to such examination is made as per the rules of the board.
8. Candidates taking either the partial examination or the final examination and failing in one topic of the group, must be re-examined in all the subjects of the group and can not be admitted to a subsequent examination on the original fee until six months have elapsed.
9. Candidates taking the full examination and failing in more than one subject can not take a subsequent examination on the original fee until six months shall have elapsed. Such candidates must be re-examined in all topics.

10. A candidate may appeal from the review rating accorded him by an individual examiner, whereupon the answer paper in question shall be submitted to a committee on review. The finding of the committee shall stand unless appeal is made from their decision, whereupon each member of the board shall make a rating of the answer paper in question, and a majority vote shall determine the final rating to be accorded.

11. A rejected rating of 70 per cent or more entitles the candidate to a review of the original marks, unasked.

12. Answer papers are to be written on one side of the paper only and in ink.

13. Candidates must not write their answers on paper other than is supplied to them by the official in charge of the examination. Examiners will return to the secretary of the board all answer papers written on unofficial paper with the words "unrated on account of violation of rule 13."

14. Examiners should make out their report of ratings in duplicate, sending one copy to the Department of Education, Examinations Division; the other to the secretary of the board.

15. Twelve questions shall be asked in each of the following topics or groups of topics:

Anatomy, chemistry, physiology, hygiene and sanitation, surgery, obstetrics and gynecology, pathology and bacteriology, diagnosis.

Candidates taking the licensing examinations must answer the first six questions in each group, except in pathology and bacteriology, in each of which subheads the candidate is required to answer the first three questions. From the remaining questions in each group, the candidate shall answer sufficient to make a total of ten answers. This rule shall be effective on and after January 1, 1912.

16. Official documents requiring the signature of an officer or a member of the board should be signed and forwarded on the day received and the date of such signature should appear next to the signature.

17. Licenses should be signed in India ink.

18. All letters to members of the board from prospective or actual candidates for license should be referred to the secretary of the board for answer.

19. Request for review of the rating of an answer paper must be made not later than thirty days after the Department has notified the candidate of the result of the examination at which such candidate appeared.

20. Preliminaries for admission to medical licensing examinations should be completed at least one week before the examinations to which the candidate applies for admission.

WE FURNISH

LISTS OF NAMES

UP-TO-DATE ANY BUSINESS---ANY LOCALITY ACCURATE

We can also print your envelopes and advertising matter, address your envelopes or wrappers, fold, enclose and mail your circulars.

We publish over 250 City, County, State and National Directories; therefore have unexcelled facilities for furnishing lists or addressing envelopes to any trades and professions that are not covered by our National Trade Directories.

AS DIRECTORY PUBLISHERS

we have available the manuscript matter that we intend utilizing in directories being compiled and therefore can **ADDRESS YOUR ENVELOPES FROM UP-TO-DATE INFORMATION BEFORE IT APPEARS IN TYPE** and consequently **BEFORE IT IS IN THE HANDS OF FIRMS WHOSE BUSINESS IS SOLELY FURNISHING LISTS OF NAMES.** It costs us more to compile lists from our advance manuscript Directory information, but for every extra dollar you pay for lists in advance of publication **YOU SAVE TEN DOLLARS IN POSTAGE.**

Price lists and prospectus of any of our National Publications and Trade Lists sent on application.

NEW YORK POST-GRADUATE
MEDICAL SCHOOL AND HOSPITAL
Second Avenue and Twentieth Street NEW YORK CITY

The School offers throughout the year the General course (to be entered at any time and for any period); Separate Clin. courses (parts of the Gen.); Laboratory, Cadaver and Operating Room courses in all branches; Modified and combined courses as desired; Comprehensive courses for the specialist, requiring six months to one year. Among others the following **Special Courses,** limited to two, to four or six—duration three to eight weeks, are given repeatedly:

Physical Diagnosis (3 Courses)
Infant Feeding and Diagnosis
Tuberculosis
Rectal Diseases (2 Courses)
Diseases of Stomach (2 Courses)
Cystoscopy (3 Courses)
Bronchoscopy **Dermatology**
Tropical Medicine
Hernia.
Sero-Diagnosis
Vaccine Therapy
Obstetrics (4 Courses)
Dis. of Heart and Circulation
Neurology **Anesthesia**
Abdominal Diagnosis and Intestinal Diseases
Refraction and Fundus Work (3 Courses)
Path. Anat. of Eye
X-Ray and Electro-therapeutics
Non-Operative Gynecology (3 Courses), etc.

The VULCAN Coil.

"A New Richmond in the Field"

THE SENSATION OF THE MEDICAL AND ELECTRICAL WORLD.

The latest invention of J.E. Seeley, who is well known as the designer of the first practical portable coil—the familiar suit-case type, now an extensively imitated back-number. The **VULCAN** coil, as illustrated, is not only the lightest in weight (48 pounds) but by far the most powerful and efficient portable X-Ray coil ever produced and, like all the Seeley products, will stand up and last a lifetime in every day use.

EXCLUSIVE FEATURES.

INTERRUPTERLESS—Not a moving part in operation.
NOISELESS—Nothing to keep your patient on nervous tension.
SIMPLE—Anyone of ordinary intelligence can operate it.
DURABLE—Nothing to wear out, cannot burn out or break down.
POWERFUL—Guaranteed to make the most exceptional radiographs in from one-tenth to one-half the time required by others.
FINISHED—In handsome quartered oak or mahogany cases, piano finish, metal parts brass, satin finish. Cover detachable.

HIGH FREQUENCY.

This coil delivers a greater range and higher frequency than any apparatus in the market, of any desired volume, under absolute control.

PRICE $150.00

We also build larger sizes, correspondingly more powerful, in cabinet form, outclassing anything heretofore offered to the profession. Ask for illustrated catalogue, with address of our nearest agency.

SEELEY ELECTRICAL LABORATORY,
Los Angeles, Cal.
General Agents Wanted.

THE PUROZONE GENERATOR

Ozone is rapidly superceding drugs in the treatment of a wide range of diseases and very remarkable results have been obtained even with crude and imperfect apparatus. Our apparatus has many strong points of advantage over all others, a few of which we enumerate.

FIVE REASONS

Why you should buy the Purozone Generator

FIRST; The Purozone Generator produces practically 99 per cent pure Ozone, while others generate such a heavy percentage of Oxids of Nitrogen that the product must be passed through oils before it can be inhaled, with the result that very little if any Ozone reaches the patient. The output of the Purozone Generator is so pure and sweet that it may be freely inhaled.

SECOND; The Purozone Generator is so constructed that its product may be passed through oils if desired, by simply turning a cock, giving the same combination or peroxide compound which is the **sole product** of other machines.

THIRD; The Purozone Generator may be used as a **NEBULIZER** only, delivering a nebula or cloud of oil vapor of any desired formula. Furthermore, Ozone may be combined with the Nebula, the patient receiving both at once. Exclusive features.

FOURTH; The Purozone Generator is the only machine made in which the air pressure and volume of Ozone generated may be controlled separately. Any desired treatment or combination may be given and high frequency treatment apparatus may be included in any cabinet—to order.

FIFTH; The Purozone Generator is massive and elegant in design and devoid of dust catching devices. Cabinets are ot any hardwood selected with piano finish. Everything entering into the construction is of the highest quality.

WHY NOT HAVE THE BEST

This is easily the finest Ozone apparatus in the market, yet not the highest in price. Made in portable as well as cabinet form. Every instrument is guaranteed for FIVE YEARS.

Illustrated catalogue, with address of our nearest branch, on request.

INTERPINES

¶ A history of **Twenty three years** of successful work has amply demonstrated the reliable and ethical character of "Interpines" Spacious grounds, stately buildings, replete with every modern appliance. Situated in the heart of a beautiful village. A successful blending of the **HOME, HOSPITAL AND HOTEL.**

Diseases of the Nervous System a specialty.

FREDERICK W. SEWARD, M. D.,
FREDERICK W. SEWARD, JR., M. D.,
Proprietors.

GOSHEN, PHONE 117 **NEW YORK.**

BUFFALO MEDICAL JOURNAL

Established 1845 by AUSTIN FLINT, M. D.

Editor: A. L. BENEDICT, A. M., M. D.,
BUFFALO

(One of the Founders of the American Gastro-Enterologic Association, Author of Golden Rules of Dietetics.)

ONE of the oldest medical journals in the world. All editors are in active practice, include various phases of specialism but aim to present scientific, practical, original material adapted to needs of general practitioner. Abstracts are directly from foreign sources or select the occasional worthy article not likely to be reviewed by weekly journals. No "addresses" speculative or meditative articles. Circulates all over the world but for news items, etc., represents especially western New York, with editors distributed through principal cities. Will print at cost, transactions of any reputable organization in its territory, increasing regular reading pages correspondingly. Independent but not quarrelsome. Ethical but believes that fair play is good ethics.

NEW YORK HOMŒOPATHIC MEDICAL COLLEGE AND HOSPITAL

53rd Session begins October 1st, 1912.

BROADEST DIDACTIC COURSE

Homoeopathy taught through entire four years.
Pathology and Laboratory work four years.

LARGEST CLINICAL FACILITIES

30,000 patients treated yearly in allied hospitals
2,000 hospital beds for Clinical Instruction
Daily Clinics

SYSTEMATIC BEDSIDE INSTRUCTION

50,000 patients yearly in all departments of College Hospital. Students living in College Dormitory assigned Cases.

Send for Catalogue PD.

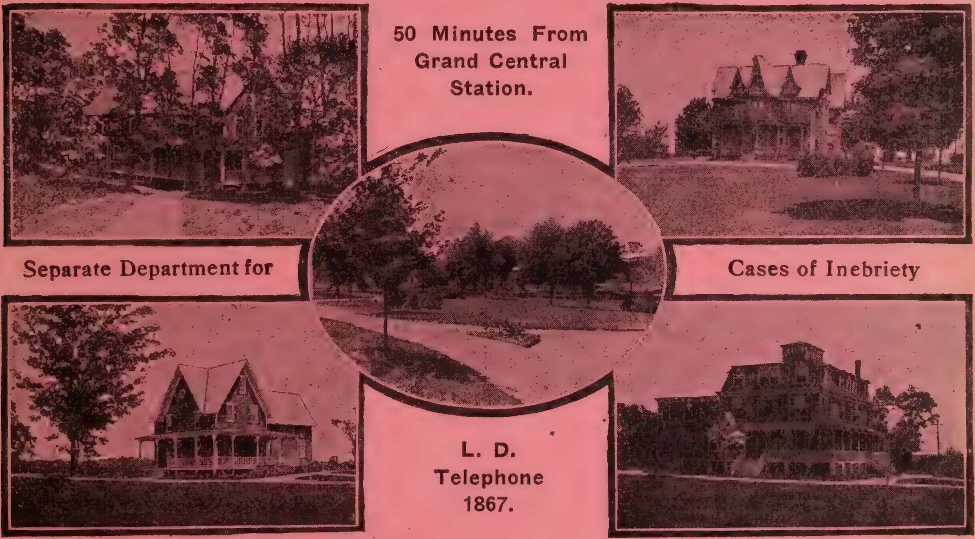
DR. BARNES'

SANITARIUM

STAMFORD, CONNECTICUT

A Private Sanitarium for Mental and Nervous Diseases

Also Cases of General Invalidism



50 Minutes From Grand Central Station.

Separate Department for Cases of Inebriety

L. D. Telephone 1867.

THE buildings are modern, situated in spacious and attractive grounds, commanding superb views of Long Island Sound, and surrounding hill country. The accommodations, table, attendance, nursing and all appointments are first-class in every respect. The purpose of the Institution is to give proper medical care and the special attention needed in each individual case.

For terms and illustrated booklet, address

F. H. BARNES, M. D., Med. Supt.

..The..

MEDICAL CENTURY

The National Journal of Homœopathic Medicine and Surgery

EDITED BY

DR. W. A. DEWEY, Ann Arbor, Mich.

The *Medical Century* stands where it formerly stood, as the only Homœopathic Periodical in the United States, not local in character, nor bound by alliances which restrict its field of usefulness.

It represents no Organization, Pharmacy, College, Hospital or Publishing House; its represents

The Homœopathic Profession of the United States

It will publish the best of Homœopathic thought from all sources, and will aim to be a *live representative of Homoeopathic interests,* wherever they exist. *A Special feature* will be the continuance of News Items, Society and College Notes and Editorial Comment, which will keep the profession informed of what is going on in the *Entire Homoeopathic School of Medicine,* as well as in the *General Medical World.*

Department of Pharmacodynamics and Therapeutics conducted by Dr. A. E. Hinsdale, Bay City, Mich.

The Subscription Price is $200 per Year

THE MEDICAL CENTURY PUBLISHING CO.

ST. JAMES BUILDING, NEW YORK

NORTH CAROLINA.

CAPITAL, RALEIGH.

Population of State, 2,206,287.
(U. S. Census, 1910.)
Number of Physicians, 1,831.

The State of North Carolina is bounded on the north by Virginia, east by the Atlantic ocean, south by South Carolina and Georgia and west by Tennessee. It is included nearly between the parallels 34 degrees and 36½ degrees north latitude, and between the meridians 75½ degrees and 84½ degrees west longitude.

The extreme length of the state from east to west is 503¼ miles; its average breadth is 100 miles; its extreme breadth is 187½ miles. Its area embraces 52,286 square miles, of which 48,666 is land, and 3,620 is water.

Its topography may be best conceived by picturing to the mind's eye the surface of the state as a vast declivity, sloping down from the summits of the Smoky Mountains an altitude of nearly 7,000 feet, to the level of the Atlantic ocean. The Smoky Mountains constitute a part of the great Appalachian chain which here attains its greatest height; the greatest, indeed, in the United States, east of the Rocky Mountains. This slope is made up of three wide extended terraces—if that term may be allowed; the first a high mountain plateau—distinguished as the westorn or mountain section; the second, a submontane plateau, distinguished as the middle section or the Pidmont plateau region; the third, the Atlantic plain, distinguished as the low country or the coastal plain region, and that part from the head of the tides downward as the tidewater section. From the first to the second section there is a sharp descent through a few miles only of not less than 1,500 feet; from the middle to the low country a descent of about 200 feet; through the two latter, however, there is a constant downward grade.

North Carolina, climatically, is naturally divided into three regions—the three already described as Mountain, Piedmont and Coastal Plain. The effect of the prolongation of the latter into the Atlantic is to give the climate of the region a marine character, the effect of the presence of the sea being to lessen the changes in temperature both diurnal and seasonal, and to increase the amount of precipitation, which is pretty evenly distributed throughout the four seasons of the year.

On the other hand, in the mountains the influence of elevation predominating; the summers are cooler, the winters more severe than in the east, but mild in comparison with the middle northern states; the dryness of the air renders the region salubrious.

Intermediate between these regions, in the Piedmont plateau, may be found all gradations of the climate of the two.

The mean temperature of the state is 59 degrees F.; and by seasons: Spring, 58 degrees; summer, 76 degrees; autumn, 60 degrees; winter, 42 degrees. January is the coldest of the year, 31 degrees, and July is the warmest, 81 degrees.

The normal average precipitation for the state is 52 inches; the mountain region, 53 inches; the Piedmont plateau, 48 inches; the Coastal Plain, 54 inches. The rainfall is uniformly distributed throughout the year, and during those months when crops require abundant moisture the amount received is greatest. The spring opens in the state in April; on the extreme eastern coast March 1st; in the heart of the mountains, May 10th. No killing frosts before the last half of October and no real winter before the last of December or first of January.

For list of Medical Colleges, see page 151.

THE LAWS REGULATING THE PRACTICE OF MEDICINE IN NORTH CAROLINA.

Section 3121. Medical Society of the State, a Body Politic. Private Laws, 1858-'9, c. 258, s 1:

The association of regularly graduated physicians, calling themselves "The State Medical Society," is hereby declared to be a body politic and corporate, to be known and distinguished by the name of "The Medical Society of the State of North Carolina."

Section 3122. Who May Practice. 1858-'9, c. 258, s. 2:

No person shall practice medicine or surgery, nor any of the branches thereof, nor in any case prescribe for the cure of disease for fee or reward, unless he shall have been first licensed so to do in the manner hereinafter provided.

Section 3123. Board of Physicians to Consist of Seven. 1858-'9, c. 258, ss. 3, 4:

In order to the proper regulation of the practice of medicine and surgery, there shall be established a board of regularly graduated physicians, to be known by the title of "The Board of Medical Examiners of the State of North Carolina," which shall consist of seven regularly graduated physicians.

Section 3124. Duty of Board. 1858-'9, c. 258, s 5:

It shall be the duty of the said Board to examine all applicants who shall exhibit a diploma, or furnish satisfactory proof of graduation, from a medical college in good standing, requiring an attendance of not less than three years and supplying such facilities for clinical instruction as shall meet the approval of the said Board, for license to practice medicine, or surgery, or any of the branches thereof, on the following branches of medical science: Anatomy, Physiology, Surgery, Pathology, Medical Hygiene, Chemistry, Pharmacy, Materia Medica, Therapeutics, Obstetrics, and the Practice of Medicine, and if on such examination they be found competent, to grant to each applicant a license or diploma, authorizing him to practice medicine and surgery, or any of the branches thereof: Provided five members of the Board shall constitute a quorum and four of those present shall be agreed as to the qualifications of the applicant: Provided, that the requirement of three years' attendance shall not apply to those graduating prior to January 1st, 1900: Provided, further, that license or other satisfactory evidence of standing as a legal practitioner in another State shall be accepted in lieu of a diploma and entitle to examination.

Section 3125. Temporary License. 1858-'9, c. 258, s. 7:

To prevent delay and inconvenience, two members of the Board of Medical Examiners may grant a temporary license to any applicant who shall comply with the requirements as to graduation prescribed in section three thousand one hundred and twenty-four as amended, and make report thereof to the next regular meeting of the Board: Provided, such temporary license shall not continue in force longer than the next regular meeting of the Board, and such temporary license shall in no case be granted after the applicant has been refused a license by the Board of Medical Examiners.

Section 3126. How appointed. 1858-'9, c. 258, s. 9:

The Medical Society shall have power to appoint the Board of Medical Examiners.

Section 3127. Where and When to Assemble. 1870-'1, c. —, s. 11:

The Board of Medical Examiners shall assemble at the same time and place when and where the Medical Society assembles, which Society shall assemble at least once in every year at such time and place as the said Society, at its next preceding meeting, shall have fixed; and the said Board shall remain in session from day to day until all applicants who may present themselves for examination within the first five days after its meeting shall have been examined and disposed of: Provided, that the said Board may, at its discretion, meet not more than one week before the said Society, but always in the same place; and that one additional meeting in each year may be held at some suitable point in the State if deemed advisable.

Section 3128. Officers, etc. 1858-'9, c. 258, s. 11:

The Board of Medical Examiners are authorized to elect all such officers and to frame all such by-laws as may be necessary, and in the event of any vacancy by death, resignation or otherwise, of any member of said Board, the Board, or a quorum thereof, is empowered to fill such vacancy.

Section 3129. The Board of Examiners to keep a Record. 1858-'9, c. 258, s. 12:

The Board of Examiners shall keep a regular record of its proceedings in a book kept for that purpose, which shall always be open for inspection, and shall cause to be entered on a book kept for the purpose the name of each applicant licensed to practice medicine and surgery, and the time of granting the same, together with the names of the members of the Board present, and shall publish the names of those licensed in two of the newspapers published in the city of Raleigh, within thirty days after the granting of the same.

Section 3130. License. 1858-'9, c. 258, s. 13:

The Board shall have power to demand of every applicant thus licensed the sum of ten dollars before issuing a license or diploma, and the sum of five dollars for each temporary license, to be paid to the Secretary of the Board.

Section 3131. The Board; their Compensation. 1870-'1, c. —, s. 14:

The members of the said Board shall each receive as a compensation for their services four dollars per day during the time of their session, and in addition thereto their traveling expenses to and from their places of meeting by the most direct route from their respective places of residence, to be paid by the Secretary of the Board out of any moneys in his hands, upon the certificate of the President of the Board of Medical Examiners.

Section 3132. Practicing Without License. 1858-'9, c. 258, s. 15; 1885, c. 117 and 261:

Any person who shall practice medicine or surgery without having first applied for and obtained license from the said Board of Examiners, shall not be entitled to sue or recover before any court any medical bill for services rendered in the practice of medicine or surgery or any of the branches thereof. And any person who shall begin the practice of medicine or surgery in this State for fee or reward after the passage of this act [March 7th, 1885], without first having obtained license from said Board of Examiners, shall not only be entitled to sue for or recover before any court any medical bill for services rendered in the practice of medicine or surgery, or any of the branches thereof, but shall also be guilty of a misdemeanor, and upon conviction thereof shall be fined not less than twenty-five dollars, nor more than one hundred dollars, or imprisoned at the discretion of the court, for each and every offense: Provided, that this act shall not be construed to apply to women who pursue the vocation of a midwife: And provided further, that this act shall not apply to any reputable physician or surgeon resident in a neighboring State or coming into this State for consultation with a registered physician resident therein. But this proviso shall not apply to physicians resident in a neighboring State regularly practicing in this State: Provided, that this section shall not apply to physicians who have a diploma from a regular medical college, and were practicing medicine or surgery in this State prior to the seventh day of March, one thousand eight hundred and eighty-five.

Section 3133. May Rescind License. 1858-'9, c. 258, s. 16:

Said Board shall have the power to rescind any license granted by them when, upon satisfactory proof, it shall appear that any physician thus licensed has been guilty of grossly immoral conduct.

Section 3134. Secretary. 1858-'9, c. 258, s. 17:

The Secretary of the Board of Medical Examiners shall give bond, with good security, to the President of the Board, for the safe-keeping and proper payment of all moneys that may come into his hands.

Registration, 1889, c. 181, ss. 3 (in part), 4, 5, 6, 7:

Section 3. That chapter thirty-four of The Code be amended by striking from section three thousand one hundred and twenty-five the words "for confirmation." and by adding immediately after section three thousand one hundred and thirty-four the following words: "Any person who shall begin the practice of medicine or surgery in this State after the passage of this act shall personally appear before the Clerk of the Superior Court of the county in which he resides or practices within thirty days after obtaining a license from the Board of Medical Examiners of the State, as now provided by law for registration."

Section 4. That any person applying for registration as herein provided shall produce and exhibit before the Clerk of the Superior Court a license obtained from the Board of Medical Examiners aforesaid; and upon such exhibit being made as aforesaid the Clerk shall register the date of registration with the name and residence of such applicant in a book to be kept for this purpose in his office, marked "Register of Physicians and Surgeons," and shall issue to him a certificate of such registration under the seal of the Superior Court of the county upon the form furnished him, as hereinafter provided, for which the Clerk shall be entitled to collect from said applicant a fee of twenty-five cents. The person obtaining said certificate shall be entitled to practice medicine or surgery, or both, in the county where the same was obtained, and in any other county in this State; but if he shall remove his residence to another county he shall exhibit the said certificate of said Clerk without fee or charge: Provided, that any one having obtained a temporary license, as provided in section three thousand one hundred and twenty-five of The Code, shall not be entitled to register, but may practice during the time such license shall remain in force.

Section 5. That any person who shall practice medicine or surgery in this State without first having registered and obtained the certificate as aforesaid shall be guilty of a misdemeanor, and upon conviction thereof shall be fined not less than twenty-five dollars nor more than one hundred dollars, or be imprisoned at the discretion of the Court, for each and every offense: Provided, this act shall not apply to women pursuing the vocation of midwife, nor to reputable physicians or surgeons resident in a neighboring State coming into the State for consultation with a registered physician of this State.

Section 6. That any Clerk of the Superior Court shall register or issue a certificate to any person in any other manner than that prescribed by this act shall be guilty of a misdemeanor, and upon conviction thereof shall be fined not less than two hundred dollars and shall be removed from office.

Section 7. That it shall be the duty of the Medical Society of the State of North Carolina to prescribe a proper form of certificate required by this act.

RULES AND REGULATIONS OF THE BOARD OF MEDICAL EXAMINERS OF THE STATE OF NORTH CAROLINA.

Requirements for Entrance to Examination for Medical License. An Applicant for license to practice medicine in North Carolina must appear before the Board of Medical Examiners in regular session and present a certificate of good moral character, attested by two persons known to the Board, a diploma from a medical college in good standing or a license from some other State, and must deposit ten dollars with the Secretary of the Board. He will then be examined upon the following branches of medicine: Anatomy, Physiology, Surgery, Pathology, Medical Hygiene, Chemistry, Pharmacy, Materia Medica, Therapeutics, Obstetrics, and the

ANTIKAMNIA AND CODEINE TABLETS
For Neuroses of the Larynx, Menstrual Neuroses, Etc.

Practice of Medicine. The examinations are written, oral and practical combined.

He must make an average of eighty per cent. upon all the branches, and he must not fall below thirty-five per cent. upon any one branch.

Temporary License. An applicant for temporary license must appear before two members of the Board of Medical Examiners and present a certificate of good moral character, a diploma from a medical college in good standing, and must pay a fee of five dollars. He must then stand a satisfactory oral examination.

A temporary license continues in force only until the next regular meeting of the Board, and is never granted but once to the same applicant.

Applicants for temporary license may call upon any two members of the Board at their homes at any time in the year, selecting the two most easily accessible.

1. Requirements for Reciprocity. The applicant must have a diploma from a medical college, requiring a four years' course of study, and rated as satisfactory by this Board.

2. He must not have failed before the North Carolina Board.

3. He must present himself in person before the North Carolina Board at its regular session. To this rule no exception is ever made. He must then pay a fee of twenty-five dollars.

4. He must fill out a blank application in regard to his moral character, educational attainments, identity, etc., and file the same with the Secretary at least thirty days before the meeting of the Board. (Blank applications may be obtained from the Secretary upon request.)

5. Reciprocity will be granted to physicians who have been admitted by examination to the United States Public Health and Marine-Hospital Service, the United States Navy or Army, and have been continuously in service, or have received honorable discharge, and have been in continuous successful practice to the date of application.

6. Due consideration will be given to applicant's preliminary education, to the rating of a college from which he holds a diploma and to his standing at college, to his hospital work (not less than two years), to his years of successful practice (not less than five years considered), to his positions of medical trust, contributions to medical literature, etc., and each case will be treated upon its merits as it comes before the Board. The burden of proof is upon the applicant to show what his attainments are.

In regard to the matter of reciprocity, the State of North Carolina regards the qualifications of the applicant rather than the State from which he comes. In every case it is necessary that the applicant appear in person before the Board of Medical Examiners in regular session, and by this personal interview convince the members of the Board that he is a man of intelligence, sobriety, and high personal character. For this reason it is impossible to make a definite promise of reciprocity to any man until he has appeared before the Board.

The applicant must also produce papers showing that he has a good preliminary education, is a graduate of a high-grade medical college, and that he has been successful in his medical undertakings since graduation. In addition to the application blank, the applicant must furnish abundant evidence that every statement contained thereon is true. That is, when hospital experience is claimed, it must be accompanied by letters from the proper authorities, showing the time of such service, and certifying that this service was satisfactory. The same requirements are made in regard to other positions of medical trust.

Reciprocal relations have been established with Louisiana, Indiana and Minnesota on a basis of preliminary education and college rating.

With Virginia and Texas on a basis of two years' hospital work or five years of successful practice.

The North Carolina Board reserves to itself the privilege of rejecting any applicant for reciprocity without question or comment on the part of the applicant.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; {, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

C

NORTH DAKOTA.

CAPITAL, BISMARCK.

Population of State, 577,056.
(U. S. Census, 1910.)
Number of Physicians, 579.

Dakota is an Indian name and signifies "confederated" or "leagued together" and applied originally to the Sioux confederation of Indians. The present State of North Dakota together with that of South Dakota was a part of the territory purchased by President Thomas Jefferson from France in 1803 and known as the Louisiana Purchase. The employes of various fur companies were the first white settlers of the territory of Dakota. As early as 1808 the government established Fort Clark on the Missouri at the mouth of the Knife river—a point about seven miles up the river from where Lewis and Clark had in 1804-05 spent the winter and established what they called Fort Mandan. In 1811 Lord Selkirk built a fort at Pembina on the Red river a short distance below the international boundary line. Fort Pierre was built in 1829 and the first steamer ascended the Missouri river in 1830. In 1839 General John C Fremont crossed over the country from the Missouri to the James river, thence across the country to Devil's Lake. Dakota was organized as a territory March 2, 1861, and was divided into the two states of North and South Dakota on November 2, 1889. It extends from 46 degrees 22 minutes 30 seconds to 104 degrees west longitude, and is bounded on the north by the British possessions, on the west by Montana, on the east by Minnesota and on the south by South Dakota. It is 212 miles in length, has an average breadth of 340 miles, and comprises an area of 72,312 square miles.

The climate of North Dakota is much more pleasant than it is generally thought to be by those who have not experienced it or consulted statistics on the subject. The popular belief that the winters are of arctic severity is not warranted by the meteorological records that have been kept in the state for the past 40 years. From these records it is found that the average or mean temperature of the state is 39 degrees and that the monthly mean temperature ranges from 3 degrees in January to 70 degrees in July. The extreme maximum temperature ranges from 101 degrees to 110 degrees and the extreme minimum from 34 degrees below zero to 55 degrees below; but it is not to be supposed that such readings are often recorded or that the extremes are of long duration. From the fact that the humidity or moisture in the air is always low, these periods of extreme heat or cold are not accompanied by the discomfort or distress that is experienced in the seaboard states. The mean annual precipitation is slightly over 17 inches, varying from about 13 inches in the south central portion to 20 in the northern and northeastern and 26 in the eastern and southeastern. November is the month of least precipitation, while June has the greatest, followed next in order by May and July. The time of occurrence of the first killing frost is from August 12 to September, and of the last killing frost in the spring from March 17 to June 8.

Arvilla—Grand Forks County Hospital and Poor Farm. Capacity, 100. Public. Phys, J McD Oswald. Supt, Michael Reidy.

Bathgate—Blind Asylum (School for Blind). Est'd 1907. Capacity, 50. State. Supt, B P Chapple.

Bismarck—Bismarck Evangelical Hospital and Deaconess' Home. Est'd 1909. Capacity, 100. Private. Med Staff. Supt, Rev Carl A Bremer.

Bismarck—St Alexius Hospital, 6th, cor Main. Est'd 1884. Capacity, 60. Private. Open to the profession. Supt, Sister M Boniface.

Bottineau—Dr Johnson's Hospital. Est'd 1908. Capacity, 15. Private. Phys, J A Johnson.

Cando—Cando Hospital. Est'd 1909. Capacity, 6. Private. Phys, F J Roberts and J G Lamont. Supt, Mrs Ella Hurst.

Cogswell—Cogswell Hospital. Est'd 1905. Capacity, 10. Private. Phys, H L Saylor.

Crosby—Crosby Hospital, cor Nelson and 2d av. Est'd 1906. Capacity, 25. Private. Phys, B Lancaster.

Devils Lake—Devils Lake General Hospital. Private. Phys and Proprs, W F Sihler and G J McIntosh.

Devils Lake—Mercy Hospital. Est'd 1895. Capacity, 60. Private. Open to the profession. Conducted by Sisters of Mercy.

Devils Lake—School for the Deaf. Est'd 1890. Capacity, 100. Public. Phys, C L Smith. Supt, J W Blattner.

Dickinson—Fisher & Goetsch Hospital. Est'd 1910. Capacity, 15. Private. Phys, S Fisher and H F Goetsch.

Drayton—Drayton Hospital. Est'd 1905. Capacity, 10. Private. Phys, H M Waldren.

Edgeley—James River Valley Hospital. Est'd 1903. Capacity, 25. Public. Supt, H W Barbour, M D.

Enderlin—Enderlin Hospital. Est'd 1904. Capacity, 16.

Fargo—Cass County Hospital and Poor Farm. Est'd 1896. Capacity, 90. Public. Supt, A D Hodgson.

Fargo—City Detention Hospital, 11th av n. Est'd 1911. Capacity, 50. Public. Phys, G M Olson. Supt, N E Morgan.

Fargo—Keeley Institute, east end 6th av s. Est'd 1894. Capacity, 25. Private. Supt, J V Branham.

Fargo—Murray Institute, 321 13th s. Est'd 1906. Capacity, 30. Private. Phys, A C Morris. Supt, J H Murray.

Fargo—St John's Hospital, Island Park. Est'd 1900. Capacity, 72. Private. Conducted by Sisters of St Joseph.

Fargo—St John's Orphan Asylum, cor 7th av and N 8th. Supt, Sister M Agnes.

Fargo—St Luke's Hospital, cor Broadway and 8th av. Est'd 1908. Capacity, 50. Private. Open to the profession. Supt, Sister Serine Aarrestad.

Fort Totten—Hospital for Indian School. Est'd, School, 1890; Hospital, 1905. Capacity, School, 350; Hospital, 20. Govt. Phys, L L Culp. Supt, C M Ziebach.

Fort Yates—Standing Rock Hospital (Indian). Capacity, 15. Phys, G W Goodrich. Supt, J Y Hamilton.

Grafton—Grafton Deaconess Hospital, Hill av and 10th. Private. Med Staff. Supt, Sister I Borgen.

Grafton—North Dakota Institution for Feeble-Minded. Est'd 1902. Capacity, 175. State. Supt, A R T Wylie, M D.

Grand Forks—City Detention Hospital. Capacity, 30. Public. In Charge of Health Officer.

ANTIKAMNIA TABLETS
For Headaches, Neuralgias, Pain and Fever

Grand Forks—Grand Forks Deaconess' Hospital, cor 4th and Belmont av. Est'd 1899. Capacity, 50. Private. Mngr, A Ostmo.

Grand Forks—St Michael's Hospital. Est'd 1907. Capacity, 75. Private. Conducted by Sisters of St Joseph.

Grove—North Dakota Penitentiary. Est'd 1883. Cells, 360. Phys, F R Smith. Warden, F A Hellstrom.

Hannah—Hannah Hospital. Est'd 1901. Capacity, 10. Private. Phys, H W F Law.

Hillsboro—Andersen Hospital. Est'd 1905. Capacity, 12. Public. Phys, Arnt G Andersen.

Jamestown—Jamestown City Hospital. Private. Med Staff. Supt, Maud Sides, R N.

Jamestown—State Hospital for Insane. Est'd 1883. Capacity, 890. Public. Supt, W M Hotchkiss, M D.

Kenmare—St John's Hospital. Est'd 1907. Capacity, 20. Private. Supt, I J C Wiig, M D.

Lidgerwood — Lidgerwood Hospital. Est'd 1902. Capacity, 20. Private. Phys, N J Shields and E G Sasse.

Lisbon—Lisbon Hospital, Main and 6th. Est'd 1903. Capacity, 8. Private. Phys, T C Patterson.

Lisbon—North Dakota Soldiers Home. Capacity of Hospital Dept, 30. State. Supt, Col J W Carroll.

Maddock—Maddock Hospital. Est'd 1906. Capacity, 20. Private. Phys, J H Moeller.

Mayville—Union Hospital. Est'd 1906. Capacity, 10. Public. Med Staff.

Minot—St Joseph's Hospital. Est'd 1894. Capacity, 45. Open to the profession. Conducted by Sisters of St Francis.

Minot—Ward County Hospital.

Northwood — Northwood Deaconess Hospital. Est'd 1902. Capacity, 30. Private. Phys, Drs Peterson and Callerstrom. Supt, Rev J D Runsvold.

Oakes—Oakes Hospital. Est'd 1901. Capacity, 25. Private. Phys, F W and I R Maercklein.

Richardton—Strauss Hospital. Est'd 1909. Capacity, 20. Private. Phys, F B Strauss.

Rugby—Good Samaritan Hospital. Est'd 1910. Capacity, 50. Private. Conducted by Sheyenne Kreds of the Norwegian Lutheran Church.

Sheldon—Sheldon Hospital. Est'd 1903. Capacity, 6. Private.

Valley City—Barnes County Hospital. Est'd 1909. Capacity, 25. Public. Supt, G H Getchell.

Valley City—Platou Hospital, 8th and Euclid av. Est'd 1904. Capacity, 50. Private. Phys, L S Platou and A W MacDonald. Supt, Miss L E Paul, R N.

Westhope—Westhope City Hospital. Supt, Florence Flegal.

Wilton—Dr Thelen's Hospital, Main st. Est'd 1905. Capacity, 20. Private. Phys, W P Thelen.

MEDICAL PRACTICE LAW OF NORTH DAKOTA.

An act to regulate the practice of medicine and surgery in the State of North Dakota.

Be it enacted by the Legislature of the State of North Dakota:

Section 1. Board of Medical Examiners; How Appointed; Qualifications. The Governor shall on or before the first day of August, 1911, appoint a State Board of Medical Examiners, consisting of nine members, two of whom shall be homeopathic; physicians; who shall be practicing physicians of integrity and ability who shall be residents of and have been duly licensed to practice medicine and surgery in this state, and who shall have been graduated from medical schools of high educational requirements and standing and shall have been engaged in the active practice of their profession within this state for a period of at least five years. Three of such persons shall hold office for the term of one year from the said first day of August, 1911, three for the period of two years, and three for the period of three years from said date. Thereafter, and as the terms of office expire, all members of the board shall be appointed for the term of three years with the exception of those who may be appointed to fill unexpired terms. Until the first day of August, 1911, the members of the present State Board of Medical Examiners shall hold office and shall enforce the provisions of this Act.

Sec. 2. Officers; Meetings for Examinations; Records and Rules: Such board shall elect a president and secretary-treasurer, and shall have a seal. The secretary-treasurer shall be the general administrative and prosecuting officer of said board but need not be a member thereof. The president and the secretary-treasurer shall have the power to administer oaths. The board shall hold meetings for examinations at such places as it may designate, on the first Tuesday in January and July of each year, and such special meetings as it may from time to time appoint. The board shall keep a record of all its proceedings, and also a register of applicants for license, together with their ages, and the time spent in the study of medicine and in their studies preliminary thereto, and the nature thereof, and the name and location of all institutions, medical and otherwise, granting to such applicants degrees or certificates of attendance on lectures and classes in medicine and surgery and studies preliminary thereto. Such register shall also show whether the applicant was rejected or licensed by the board. Said books and register shall be prima facie evidence of all matters therein recorded. Said board shall from time to time adopt such rules and regulations as it may deem necessary for the performance of its duties and a schedule of minimum educational requirements which shall be without prejudice or discrimination as to schools or systems of practice of medicine.

Sec. 3. Power to Administer Oaths and Summon Witnesses; Enforcement of Powers: Said board shall have authority to administer oaths, to summon witnesses and take testimony in all matters relating to their duty. When the board, in the transaction of any of its business, or in the conduct of any hearing or when any person interested in such business or hearing shall desire to secure the presence or testimony of any person before said board, said board or such person, may procure subpoenas from the clerk of the district court of the county wherein such business is to be transacted or conducted before said board, and the clerk of such court is hereby directed to issue such subpoenas, as, in the name of the State of North Dakota, commanding the persons whose names shall be given to such clerk by said board, or by such persons so interested in such business or hearing, to appear before said board at a certain time and place fixed by said board, for the transaction of such business or conduct of such hearing and then and there testify in the matter of such business or in such hearing. If any person so commanded to appear and testify shall fail or refuse to obey such subpoena, he shall be dealt with by said district court in the same manner and to the same effect as though such subpoena has commanded such person to appear and testify in a cause on trial in said court. Fees or other charges or payments, which may be demanded by any person so commanded to appear and testify shall be only those which may be demanded by witnesses in causes in the district court and under the same circumstances. Such subpoenas shall be served in the same manner as are the subpoenas for trials in the district court, and they shall be substantially the same form. It shall be the duty of the secretary-treasurer, under the direction of the board, personally or by deputy duly authorized thereunto by said board, to aid the several district attorneys of the state in the enforcement of this act and in the prosecution of all persons who may have violated any of its provisions.

Sec. 4. License: No person shall practice medicine in this state unless he shall have made application to said Board of Medical Examiners, through the secretary-treasurer thereof, upon such form and in such manner as shall be adopted and prescribed by said board, for a license so to do, and shall have obtained from said board and shall possess in full force and virtue a valid license so to do; and any person who practices medicine in this state, without having made such applications and without having received and without still possessing such a license, shall be deemed to have thereby violated the provisions of this Act. All applicants for a license to practice medicine or for a restoration of any such license which has been revoked, shall furnish the board with satisfactory evidence of good moral character. Nothing in this Act shall be taken or construed to preclude physicians and surgeons who have already been admitted to practice their profession within the state of North Dakota and under and according to the laws thereof to continue so to practice.

Sec. 5. Definition: The term "Practice of Medicine," as used in this Act, is intended to cover and include the practice of medicine, surgery, and obstetrics. The term "Physician" means physician and surgeon.

Sec. 6. Meaning of the Term Practice of Medicine; Exemptions and Exceptions: A person shall be regarded as practicing medicine within the meaning of this Act who holds himself or herself out to the public as being engaged within this state in the diagnosis or treatment of diseases or injuries of human beings; or who suggest, recommends or prescribes any form of treatment for the intended palliation, relief or cure of any physical or mental ailment of any person with the intention of receiving therefor, either directly or indirectly, any fee, gift or compensation whatsoever; or who maintains an office for the examination, or treatment of persons afflicted with disease or injury of body or mind; or who attaches the title M. D., surgeon, doctor or any word or abbreviation to his name, indicating that he is engaged in the treatment or diagnosis of the diseases or injuries of human beings. Nothing in this Act, however, shall be construed to affect lawfully qualified physicians in other states or countries meeting legally licensed physicians in this state for consultation or any physician residing on the border of a neighboring state and duly licensed under the laws thereof to practice medicine therein, and who does not open an office or appoint a place to meet patients or receive calls within this state; or the domestic administration of family remedies; or dentists practicing their profession or optometrists when licensed and practicing under the provisions of article 16 of chapter 4 of the political code, Revised Codes of 1905; nor to prohibit the practice of Christian Science or other religious tenets or religious rules or ceremonies as a form of religious worship, devotion, or healing, provided that the persons administering or making use of or assisting or prescribing such do not prescribe or administer drugs or medicines nor perform surgical or physical operations, nor assume the title of or hold themselves out to be physicians or surgeons; nor shall this Act be construed to prohibit any person, if qualified under chapter 172 of the laws of 1909, from engaging in the practice of osteopathy, when not representing himself as, or assuming the title of physician or surgeon; provided such person does not profess or hold himself out to, nor administer or prescribe drugs or perform surgery, except minor surgery; nor shall it be construed to prohibit commissioned surgeons of the United States Army, Navy or Public Health and Marine-Hospital Service from performing their lawful duties in this state as such.

Sec. 7. Examinations; How Conducted; Subjects: The manner of determining the qualifications of any person to practice medicine or surgery shall be such as shall be adopted by the State Board of Medical Examiners. Examination of applicants for the licenses to practice medicine shall be made by said board according to the method deemed by it to be most practicable and expeditious to test the applicant's qualifications. Each applicant shall be designated by a number instead of name, so that his identity shall not be disclosed to the members of the board, until the examinations shall be graded. The subject of written, oral or clinical examinations for applicants shall be as follows: Anatomy, physiology, chemistry, pathology, gynecology, physical diagnosis, toxicology, surgery, obstetrics, histology, bacteriology, medical jurisprudence and preventive medicine.

Sec. 8. Examinations Waived: In the case of an applicant coming from, or who has been educated in other states or foreign universities, such applicant's credentials relating to his general reputation, his preliminary education and the course of study he has pursued, the degrees he has received, the number of years he has been engaged in the lawful practice of medicine, his experience in hospitals, medical departments of the army, navy, and public health and marine-hospital service, licenses granted to him by other states and countries, and his experience as a teacher of medicine, shall be given due consideration by the board in determining his qualifications to practice medicine. When convinced by an investigation of an applicant's credentials that he is qualified to practice medicine and surgery, the board may in its discretion, grant him a license without examination, upon the payment of the regular fee of twenty-five dollars, and provided further, that said board upon the payment of such fee and in its discretion, may accept and register and without further examination, issue a license to practice medicine upon any certificate which shall have been issued to an applicant by the Medical Examining Board of the District of Columbia, or of any state or territory of the United States; provided, however, that the applicant has received a degree or diploma from a legally chartered medical school, the requirements of which shall have been at the time of granting such diploma or degree, in no particular less than those prescribed by the Association of American Medical Colleges for that year; and provided further, that the legal requirements of the Medical Examining Board of such state, district or territory, shall have been at the time of issuing such certificate in no degree or particular less than those of this state, at the time when such certificate shall be presented for registration and approval of the Board provided for in this Act; and provided further, that the provisions and exceptions in this section contained shall be held to apply only to the certificate of licenses of such states, district or territories as accept and register the certificates and licenses granted by the board provided for herein, without further examinations of the persons holding such certificates.

Sec. 9. Preliminary; Qualifications: All applicants for licenses to practice medicine in the state of North Dakota and all applicants for the examination of the Board of Medical Examiners herein provided for, must, as a prerequisite thereto, and except as provided in section 8 of this Act, present evidence which shall be satisfactory to said board of having graduated from a reputable medical college and having attended in such college or colleges the lectures of no less than four college years of at least eight months each, and must all give evidence which shall be satisfactory to said board, or a preliminary education which would be necessary to admit said student to the junior or third year of the University of North Dakota or some equally reputable American college or university; provided, however, that in case of applicants who have graduated from a reputable medical college prior to the year 1905, satisfactory evidence of attendance on the lectures and classes of three college years of at least six months each, shall be deemed sufficient to entitle such applicants to take the examination herein provided for.

Sec. 10. License; Fees: If such applicant passes the prescribed examination, or if such applicant is excused from such examination as provided for in section 8 of this Act and is found by the board to be properly qualified, the board may grant him a license to practice medicine, surgery, obstetrics, in this state which license shall be signed by the president and secretary-treasurer of the board, and shall have the seal thereof affixed to or impressed thereon. The fee of such examination shall be twenty-five dollars, to be applied to the board toward paying the compensation and expenses thereof, including the enforcement of the provisions of this Act, and the same fee shall be charged where an application for licenses is made without examination.

Sec. 11. Revocation and Refusal of Licenses: The State Board of Medical

Examiners shall keep a record of all its proceedings together with the evidence offered in the matter of revoking or refusing licenses hereunder, may refuse to grant, or may revoke a license to practice medicine and surgery in this state, and may cause a licentiate's name to be removed from the record in the office of any recorder of deeds, upon any of the following grounds, to-wit: The employment of fraud or deception in applying for or securing a license or in passing the examination provided for in this Act; the practice of medicine under a false or assumed name, or impersonation of another physician of this state or any state, territory or foreign country of a like or different name; the conviction of a felony, or of a crime involving moral turpitude, habitual intemperance in the use of ardent spirits, narcotics or stimulants to such an extent as to incapacitate for performance of professional duties; the procuring or aiding or abetting in procuring or attempting to procure a criminal abortion; negligent or ignorant malpractice resulting in permanent injury or death of a patient; the obtaining of a fee either directly or indirectly either in money or in the form of any thing of value, or in the form or financial profit, either as personal compensation, or as compensation, charge, profit or gain for an employer, or any other person or persons, on the representation that a manifestly incurable, sick disease or injured condition of any person can be permanently cured, causing the publication, circulation, exhibition or display publicly of an advertisement, notice or information of any medicine or means whereby the monthly periods of women can be regulated or the menses if suppressed can be reestablished, or whereby abortion can be accomplished; causing the publication, circulation, exhibition or display publicly of any advertisement relative to the treatment, alleviation, palliation, cure or prevention of any disease, weakness or condition of the sexual organs. An appeal from the final decision of such board shall lie to the district court of the county in which such decision was made, within sixty days after notice to the party aggrieved. The record on appeal shall consist of the entire proceedings of such board, together with the evidence offered. Such appeal shall be governed by the code of civil procedure so far as applicable.

Sec. 12. Licenses to be Recorded: Every person who shall receive a license from the State Board of Medical Examiners shall have it recorded immediately in the office of the recorder of deeds of the county in which he shall maintain an office for the practice of medicine, and shall likewise have it recorded in any county in which he shall practice medicine regularly. The recorder of deeds of each county in this state shall keep for public inspection, in a book provided for that purpose, a complete list and description of the licenses recorded by him. When any such license shall be presented to him for record he shall stamp or write upon the back thereof his signed memorandum of the date when such license was presented for record. If the name of any person shall not so appear in such book in any particular county in this state in connection with a description of such license provided for in this Act, such Act shall be prima facie evidence in any civil or criminal action involving the practice of medicine by such person in such county, that such person does not possess in full force of virtue a license to practice medicine in this state.

Sec. 13. Penalties for Violations and for Fraudulent Impersonation and Fraudulent Devices: Any person who shall practice medicine in this state without complying with the provisions of this Act, and any person who shall violate any of the provisions of this act, shall be deemed guilty of misdemeanor and upon conviction thereof, shall be punished by a fine of not less than fifty dollars nor more than three hundred dollars, or by imprisonment in the county jail for not less than ten day nor more than thirty days, or both, in the discretion of the court. Any person who shall present or attempt to file as his own, diploma or certificate of credentials of another, who shall give false evidence or present any altered or forged instrument or writing of any kind to the State Board of Medical Examiners or any member thereof, in connection with an application for license to practice medicine, or in any hearing before said board, or who shall practice medicine under a false or assumed name or who shall falsely personate another practitioner of a like or different name, shall be guilty of a felony, and upon conviction thereof shall be punished by imprisonment in the state penitentiary for a term of not less than one year nor more than ten years at hard labor.

Sec. 14. Removal of Members of Examining Board; Re-election: The Governor of the State of North Dakota may, for good cause shown, and upon the recommendation of three-fourths of the members of the Board of Medical Examiners, remove any member of such board for misconduct, incapacity or neglect of duty. No member of such board shall serve thereon for more than two full successive terms.

Sec. 15. Repeal: All acts or parts of acts conflicting with the provisions of this Act are hereby repealed.

Sec. 16. Emergency: Whereas, an emergency exists in that inadequate protection is now afforded against incompetent and untrained physicians, therefore this Act shall take effect and be in force from and after its passage and approval.

Approved Feb. 27, 1911.

The Oconomowoc Health Resort
Oconomowoc, Wis.
(See advertisement inside back cover)

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; {, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

OHIO.

CAPITAL, COLUMBUS.

Population of State, 4,767,121.
(U. S. Census, 1910.)
Number of Physicians, 7,398.

Ohio was formed from the Northwestern Territory, ceded to the United States by Virginia in 1783, and admitted to the Union as a state in 1802. It extends from 38 degrees 25 minutes to 42 degrees north latitude and from 80 degrees 28 minutes to 84 degrees 42 minutes west longitude, and is bounded on the north by Michigan and Lake Erie, on the south and southeast by the Ohio river which separates it from Kentucky and West Virginia, on the east by Pennsylvania, and on the west by Indiana.. The following table shows increase in population since 1800:

1800	45,365	1860	2,339,511
1810	230,760	1870	2,665,260
1820	581,295	1880	3,198,062
1830	937,903	1890	3,672,316
1840	1,519,467	1900	4,157,545
1850	1,980,329	1910	4,767,121

The total land surface of Ohio is, approximately, 40,760 square miles.

The climate is mild and salubrious. The mean annual temperature is about 50 degrees in the northern tier of counties; 51 degrees in the central part of the state, and 54 degrees in the most southerly parts, along the banks of the Ohio river. The average rainfall is about 41 inches, being the greatest along the valley of the Ohio.

Ohio has no elevations that could be termed mountains, but it is far from being a level plain. With the exception of the northwestern part, it is a tableland, having a mean elevation above the sea of 1,000 feet, the inequalities of which are the result of the erosion or excavation of valleys and ravines by the streams of water. A ridge or rather a swell of the ground forms the divide between the waters flowing north into Lake Erie and those flowing south into the Ohio river. Near the 40th parallel extends a belt of hills from east to west through the middle of the state, abounding in highly picturesque scenery. Toward the south the valleys cut out by the streams grow deeper and deeper, until they reach the valley of the Ohio river, which is several hundred feet below the general level of the state. The surface of that part of the state which lies north of the watershed is generally level, and has a gentle inclination toward the lake.

Ohio has a large number of rivers and a lake front of 230 miles. The principal rivers are the Ohio, Little Beaver, Muskingum, Hocking, Scioto, Mahoning, Little Miami, Great Miami, Vermillion, Ashtabula, Cuyahoga, Portage, Maumee,

THE STATUTES OF OHIO REGULATING THE PRACTICE OF MEDICINE AND SURGERY.

Section 1262. The governor, with the advice and consent of the senate, shall appoint a state medical board consisting of seven members, who shall be physicians in good standing in their profession. One member shall be appointed each year and shall serve for a term of seven years. Schools of practice shall be given representation on the board as nearly as possible in proportion to their numerical strength in the state, but no school shall have a majority of the board. [99 V. 496 § 19.]

Section 1263. The state medical board shall organize by the election of a president and a treasurer, who shall be members of the board, and a secretary, who shall be a physician in good standing in his profession. Each of the officers so elected shall serve for a term of one year, and the president and the secretary may administer oaths. [99 V. 496 § 20.]

Section 1264. Each member of the state medical board shall receive ten dollars for each day employed in the discharge of his official duties and his necessary expenses so incurred. [99 V. 496 § 21.]

Section 1265. The secretary of the state medical board shall receive an annual salary, to be fixed by the board, and his necessary expenses incurred in the performance of his official duties. [99 V. 496 § 22.]

Section 1266. The treasurer of the state medical board shall give a bond to the state in the sum of ten thousand dollars with two or more sureties approved by the board conditioned for the faithful discharge of the duties of his office. Such bond, with the approval of the board and the oath of office indorsed thereon, shall be deposited with the board and kept in its office. [99 V. 496 § 23.]

Section 1267. The state medical board shall meet in Columbus on the first Tuesday of January, April, July, and October of each year, and at such other times and places as the board may direct. Five members of the Board shall constitute a quorum. The board shall have a seal and shall prescribe rules for its government. [99 V. 497 § 32.]

Section 1268. The state medical board shall keep a record of its proceedings. It shall also keep a register of applicants for certificates, showing the name of the applicant, the name and location of the institution granting him the degree of doctor of medicine or surgery, and whether he was granted or refused a certificate. The books and records of the board shall be prima facie evidence of matters therein contained. [99 V. 497 § 25.]

Section 1269. Each person who desires to practice medicine or surgery shall file with the secretary of the state medical board a written application, under oath, on a form prescribed by the board, and furnish satisfactory proof that he is more than twenty-one years of age and of good moral character. [99 V. 497 § 26.]

Section 1270. The state medical board shall appoint an entrance examiner who shall not be directly or indirectly connected with a medical college and who shall determine the sufficiency of the preliminary education of applicants for admission to the examination. The following preliminary educational credentials shall be sufficient:

A diploma from a reputable college granting the degree of A. B., B. S., or equivalent degree;

A diploma from a legally constituted normal school, high school or seminary, issued after four years of study.

A teacher's permanent or life certificate;

A student's certificate of examination for admission to the freshman class of a reputable literary or scientific college.

In the absence of the foregoing qualifications, the entrance examiner may examine the applicant in such branches are are required for graduation from a first-class high school of this state, and to pass such examination shall be sufficient qualification. Such examination shall be held simultaneously in Cincinnati, Cleveland, Columbus and Toledo, and the questions shall be uniform in such places. If the entrance examiner finds that the preliminary education of the applicant is sufficient, he shall, upon payment to the treasurer of the state medical board of a fee of two dollars, issue a certificate thereof, which shall be attested by the secretary of the state medical board.

The applicant must also produce a certificate issued by the entrance examiner and a diploma from a legally chartered medical institution in the United States in good standing, as defined by the board, at the time the diploma was issued or a diploma or license approved by the board which conferred the full right to practice all branches of medicine or surgery in a foreign country. [99 V. 497 § 27.]

Sec. 1271. At the time of his application the applicant shall present such diploma or license, with his affidavit that he is the person named therein and is the lawful possessor thereof, stating his age, residence, the college or colleges at which he obtained his medical education, the time spent in each, the time spent in the study of medicine, and such other facts as the state medical board requires. If engaged in the practice of medicine or surgery, the affidavit shall state the period during which and the place where he has been so engaged. [99 V. 498 § 28.]

Sec. 1272. If the state medical board finds that the applicant has obtained any one of the credentials necessary for admission to the examination, that his diploma is genuine and granted by a legally chartered medical institution in the United States in good standing as determined by the board, or that his license is genuine and confers upon him full right to practice all branches of medicine and surgery in that the person named in the diploma or license is the person holding and presenting that the person named in the diploma or license is the person holding and preesnting it and is of good moral character, the board shall admit such applicant to an examination. [99 V. 498 § 29.]

Sec. 1273. The examinations of applicants for certificates to practice medicine or surgery shall be conducted in the cities of Cincinnati, Cleveland, Columbus and Toledo under rules prescribed by the State medical board. Each applicant shall be examined in anatomy, physiology, pathology, chemistry, materia medica and therapeutics, the principles and practice of medicine, diagnosis, surgery, obstetrics and such other subjects as the board requires. The applicant shall be examined in materia medica and therapeutics and principles and practice of medicine of the school in which he desires to practice, by the member or members of the board representing such school. [99 V. 498 § 30.]

Sec. 1274. If the applicant pass such examination, and has paid the fee required by law, the state medical board shall issue its certificate to that effect, signed by its president and secretary, and attested by its seal. Such cerificate when deposited with the probate judge as required by law, shall be conclusive evidence that the person to whom it is issued is entitled to practice medicine or surgery in this State. An affirmative vote of not less than five members of the board is required for the issuance of a certificate. [99 V. 498 § 31.]

Sec. 1275. The State medical board may refuse to grant a certificate to a person guilty of fraud in passing the examination, or at any time guilty of felony or gross immorality, or addicted to the liquor or drug habit to such a degree as to render him unfit to practice medicine or surgery. Upon notice and hearing, the board, by a vote of not less than five members, may revoke a certificate for like cause or causes. [99 V. 498 § 32.]

"The House of Decigold"
EDWARD ROWAN, Incorporated
Manufacturers and Dealers in Dental and Surgical Supplies
625 E. 163d STREET NEW YORK CITY, N. Y.

Sec. 1276. An Appeal may be taken from the action of the State medical board refusing to grant or revoking a certificate, for the causes named in the preceding section, to the governor and attorney-general, whose decision affirming or overruling the action of the State board shall be final. [99 V. 499 § 33.]

Sec. 1277. Each applicant for a certificate to practice medicine or surgery in this State shall pay a fee of twenty-five dollars for an examination. On failure to pass such examination the fee shall not be returned to the applicant, but within a year after such failure he may present himself and be again examined without the payment of an additional fee. All fees for examinations shall be paid in advance to the treasurer of the board and by him paid into the State treasury to the credit of a fund for the use of the State medical board. [99 V. 499 § 34.]

Sec. 1278. Each person who receives a certificate to practice medicine or surgery, before beginning practice, must deposit his certificate with the probate judge of the county in which he resides. The probate judge shall record it in a book kept for that purpose and indorse on the margin of the record and on the certificate the time when he received it for record, and make an index to all certificates by him recorded. The probate judge shall also note the revocation of a certificate, or the death or change of location of the owner of a certificate in the margin of the record. If the owner of a certificate changes his place of residence, he must have such certificate recorded by the probate judge of the county into which he removes. [99 V. 499 § 35.]

Sec. 1279. Upon application the probate judge shall make a certified copy of a certificate and the indorsements thereon, which certified copy shall be prima facie evidence of the matters and facts therein contained. [99 V. 499 § 36.]

Sec. 1280. For services under the provisions of this chapter, the probate judge shall receive from the holder of a certificate the following fees: For recording and indexing each certificate, fifty cents; for certified copies, the same fees as are allowed by law for copies of records kept by him. [99 V. 499 § 37.]

Sec. 1281. During the month of December in each year, the probate judge shall furnish the secretary of the State medical board a list of certificates recorded and in force, of certificates revoked, and of certificates whose owners have removed from the county or died during the preceding year. [99 V. 499 § 38.]

Section 1282. The State medical board may dispense with the examination of a physician or surgeon, duly authorized to practice medicine or surgery in another State, a territory or the District of Columbia, who wishes to remove from such State, territory or district and reside and practice his profession in this State, upon his complying with the following conditions:

Such physician or surgeon shall make an application on a form prescribed by the board, pay a fee equal to that which such State, territory or district would require a physician or surgeon of this State removing from this State and residing and practicing his profession in such State, territory or district, and present a certificate or license issued by the medical board thereof; provided the laws of such State, territory or district require of physicians and surgeons practicing therein qualifications of a grade equal to those required of physicians and surgeons practicing in Ohio, and equal rights are accorded by such State, territory or district to physicians and surgeons of Ohio holding a certificate from the State medical board who desire to remove to, reside and practice their profession in such State, territory or district. [99 V. 499 § 39.]

Sec. 1283. Each person who desires to practice midwifery in this State, and is not authorized by law so to do, shall appear before the State medical board and submit to such examination as the board requires. [99 V. 500 § 40.]

Sec. 1284. If the applicant passes a satisfactory examination and has paid a fee of ten dollars, the State Medical board shall issue its certificate to that effect, which must be deposited with the probate judge of the county in the manner provided for a physician's certificate, and thereupon entitle its holder to practice midwifery in this State. Such certificate may be refused or revoked as in the case of certificates to physicians and surgeons. [99 V. 500 § 41.]

Sec. 1285. No certificate to practice midwifery shall authorize its holder to perform version, treat breech or face presentation, do any obstetric operation requiring instruments, or treat any other abnormal condition, except in emergencies. [99 V. 500 § 42.]

Sec. 1286. A person shall be regarded as practicing medicine, surgery or midwifery, within the meaning of this chapter who uses the words or letters, "Dr.," "Doctor," "Professor," "M. D.," "M. B.," or any other title in connection with his name which in any way represents him as engaged in the practice of medicine, surgery or midwifery, in any of its branches, or who examines or diagnoses for a fee or compensation of any kind, or prescribes, advises, recommends, administers or dispenses for a fee or compensation or any kind, direct or indirect, a drug or medicine, appliance, application, operation or treatment of whatever nature for the cure or relief of a wound, fracture or bodily injury, infirmity or disease. The use of any such words, letters or titles in such connection or under such circumstances as to induce the belief that the person who uses them is engaged in the practice of medicine, surgery or midwifery, shall be prima facie evidence of the intent of such person to represent himself as engaged in the practice of medicine, surgery or midwifery. [99 V. 500 § 43.]

Sec. 1287. Nothing in this chapter shall prohibit service in case of emergency, or domestic administration of family remedies. This chapter shall not apply to a commissioned medical officer of the United States army, navy or marine hospital service in the discharge of his professional duties, or to a regularly qualified dentist when engaged exclusively in the practice of dentistry, or to a physician or surgeon residing in another State or territory who is a legal practitioner of medicine or surgery therein, when in consultation with a regular practitioner of this State; nor shall this chapter apply to a physician or surgeon residing on the border of a neighboring State and duly authorized under the laws thereof to practice medicine and surgery therein, whose practice extends within the limits of this State; provided

BURN-BRAE, A PRIVATE HOSPITAL FOR MENTAL AND NERVOUS DISEASES. (See adv. in Philadelphia)

equal rights and privileges are accorded by such neighboring State to the physicians and surgeons of Ohio residing on the border of this State contiguous to such neighboring State. Such practitioner shall not open an office or appoint a place to see patients or receive calls within the limits of this State. [99 V. 501 § 44.]

Sec. 1288. The provisions of this chapter shall not apply to an osteopath who passes an examination before the State medical board in the subjects of anatomy, physiology, obstetrics and diagnosis in the manner required by the board, receives a certificate from such board, and deposits it with the probate judge as required by law in the case of other certificates. Such certificate shall authorize the holder theerof to practice osteopathy in the State, but shall not permit him to prescribe or administer drugs, or to perform major surgery. [99 V. 501 § 45.]

Sec. 1289. Before he shall be admitted to an examination before the State medical board a person who desires to practice osteopathy shall pay a fee of twenty-five dollars to its treasurer and file with its secretary such evidence of preliminary education as is required by law of applicants for examination to practice medicine or surgery, together with a certificate from an osteopathic examining committee as hereafter provided, showing that the applicant holds a diploma or a physician's osteopathic certificate from a reputable college of osteopathy as determined by such committee, and that he has passed an examination in a manner satisfactory to the committee in the subjects of pathology, physiological chemistry, gynecology, minor surgery, osteopathic diagnosis, and the principles and practice of osteopathy. [99 V. 501 § 46.]

Sec. 1290. Upon recommendation of the Ohio Osteopathic society, the State medical board shall appoint three persons who shall constitute the State osteopathic examining committee. One member of such committee shall be appointed each year who shall serve for a term of three years. [99 V. 501 § 47.]

Sec. 1291. Each person so appointed shall file with the State medical board a certificate of the Ohio Osteopathic society that he is a graduate of a reputable college of osteopathy, that he has been engaged in the practice of osteopathy in this State for at least one year, that he is of good moral character, and is in good standing in his profession. [99 V. 501 § 48.]

Sec. 1292. Upon recommendation of the osteopathic committee and the payment by the applicant of a fee of fifty dollars, the State medical board may issue a certificate without examination to a graduate of a reputable school of osteopathy, who is of good moral character, and has been engaged in the practice of osteopathy in any other State for at least five years. [99 V. 502 § 49.]

Sec. 1293. The osteopathic examining committee shall meet at the office of the State medical board for action on applications for osteopathic certificates at such time as the board directs; but the committee shall take no part in the deliberations of the board. Each member of the committee shall receive the same compensation as a member of the State board, payable as provided in such case. [99 V. 502 § 50.]

Sec. 1294. The compensation and expenses of the members and officers of the State medical board, and the necessary expenses of the board shall be paid from a fund in the State treasury for the use of the board, upon the warrant of the auditor of state, issued upon vouchers signed by the president and secretary of the board. [99 V. 502 § 51.]

Sec. 1295. The secretary of the State medical board shall enforce the provisions of law relating to the practice of medicine, surgery or midwifery in this State. If he has knowledge or notice of a violation of such law, he shall investigate the matter, and, upon probable cause appearing, file a complaint and prosecute the offender. When requested by the secretary, the prosecuting attorney of the proper county shall take charge and conduct such prosecution. [99 V. 503 § 59.]

Sec. 12694. Whoever practices medicine or surgery in any of its branches before obtaining a certificate from the State medical board in the manner required by law, or so practices medicine or surgery after such certificate has been duly revoked, shall be fined not less than twenty-five dollars nor more than five hundred dollars or imprisoned in the county jail not less than thirty days nor more than one year, or both. [99 V. 502 § 52.]

Sec. 12695. Whoever practices midwifery without first obtaining a certificate from the State medical board, or other lawful authority authorizing her so to do, shall be fined not less than twenty-five dollars nor more than one hundred dollars. [99 V. 502 § 53.]

Sec. 12696. Whoever announces or advertises himself as an osteopath, or practices as such, without complying with all the provisions of law relating to the practice of osteopathy, shall be fined not less than twenty-five dollars nor more than five hundred dollars or imprisoned in the county jail not less than thirty days nor more than one year, or both. [99 V. 502 § 54.]

Sec. 12697. Whoever files, or attempts to file, as his own the medical diploma or certificate to practice of another, or files or attempts to file a false or forged affidavit of his identity, with the State medical board, shall be imprisoned in the penitentiary not less than one year nor more than five years. [99 V. 502 § 55.]

Sec. 12698. Whoever wilfully swears falsely in answer to a question asked him on his medical examination by the State medical board or in an affidavit required to be made or filed by him with such board, shall be imprisoned in the penitentiary not less than one year nor more than five years. [99 V. 502 § 55.]

Sec. 12699. All fines collected under the next five preceding sections shall be paid to the State medical board. [99 V. 503 § 56.]

Sec. 12700. Whoever makes, issues, publishes or causes to be made, issued or published, for the purpose of sale, barter or gift, a diploma, certificate or writing representing the holder thereof to be a graduate of a medical school, college or educational institution of medicine, unless such holder has attended a complete course of instruction therein, equal to the average course of instruction in other such schools, colleges or institutions in good standing in this State, shall be fined not less than one hundred dollars nor more than one thousand dollars or imprisoned in the penitentiary not less than one year nor more than three years, or both. [99 V. 503 § 57.]

Sec. 12701. Whoever makes, issues or publishes, for the purpose of sale, barter or gift, a certificate, diploma, or other writing or document falsely representing the holder or receiver thereof to be a graduate of a medical school, college or educational institution of medicine and entitled to the powers, privileges or degrees thereby pretended to be conferred or sells or otherwise disposes of, or offers to sell or dispose of such diploma, certificate, writing or document containing such false representation or uses his name, or permits it to be used, as a subscriber to such false and fictitious diploma, certificate, writing or document or engages in the practice of medicine and surgery under and by virtue of such fraudulent diploma, certificate, writing or document, shall be fined not less than one hundred dollars nor more than one thousand dollars or imprisoned in the penitentiary not less than one year nor more than three years, or both. [99 V. 503 § 58.]

POLK'S DENTAL REGISTER

of the United States and Canada.

The 11th revised edition to be issued Dec., '1912, will contain the names and addresses of over 36,000 **DENTISTS**, with GRADUATION PARTICULARS, a list of all **DENTAL COLLEGES** in the United States and Canada, and a synopsis of the **STATE LAWS** for regulating the practice of Dentistry, etc., also a vast amount of other information of special interest to the Dental Profession, calculated to insure for it a large and general circulation.

It is the only standard and recognized Dental Directory and List of Dental Institutions and Societies in the United States and Canada.

PRICE, $10.00 PER COPY.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; ⟨, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

Western Reserve University

Medical Department

(Founded 1843)

A well-endowed school for men with college preparation, its course including a large amount of individual practical work in laboratories and controlled hospitals.

Admits only college graduates, or seniors in absentia from standard four-year colleges, who can fulfill certain subject requirements.

Small classes assure large amount of individual opportunity.

Offers optional fifth year leading to degree of A. M. in Medicine.

Only regular medical school in Cleveland (the sixth city in the United States) with 600,000 population.

Controls all material and nominates the staffs in three hospitals with over 1,000 beds, and maintains dispensaries having over 75,000 visits per year.

Every graduate has the opportunity of a hospital appointment.

Tuition $150.00 per year.

For catalogue and information address the

University of Cincinnati
College of Medicine
(Ohio-Miami College of Medicine)

A partially endowed University Medical College.

Entrance requirements, one year of specified college work in general physics, general chemistry, general biology and modern language. After June 1, 1913, two years specified work in Physics, Chemistry (inorganic and organic), Biology and modern language. The college controls for teaching purposes over 600 hospital beds. Students of Senior class serve as clerks in the wards of the Cincinnati City Hospital (500 beds). New City Hospital of 800 beds at a cost of over $3,000,000 will be completed in about a year and a half. College Dispensary clinic of about 18,000 patients per annum.

Full time laboratory instructors. Small classes; individual instruction. Many interneships available in Cincinnati and other cities of the state. Course, four years of 33 weeks each. Sessions open in last week of September. For detailed information address

BURN-BRAE, A PRIVATE HOSPITAL FOR MENTAL AND NERVOUS DISEASES.
(See adv. in Philadelphia)

The Shepard Sanitarium

FOR CHRONIC AND NERVOUS DISEASES

FOR MEN AND WOMEN.

Located on the banks of the picturesque Alum Creek, Twenty minutes' ride by street car from the business center of Columbus, Ohio, on the Columbus, New Albany & Johnstown Electric Line. The Shepard Sanitarium, the oldest Sanitarium in Ohio, has been in successful operation for over fifty years. We treat all forms of Chronic and Nervous Diseases—**Spinal Troubles, Rheumatism, Disorders of Digestion, Nervous Prostration and Diseases of Women.** We make a specialty of **The Rest Cure** for tired nerves and exhausted physical conditions.

Address **DR. W. E. POSTLE, Supt., Shepard, Ohio**

Professional Correspondence Solicited. Telephones: Citizens. 889; Bell, Long Distance. On Columbus Telephone Exchange.
